**Don't forget to make sure your correct physical and mailing address is on file in the office.**  
**Summer mailings go out the end of July/beginning of August.**

If your child plans to try out for sports, please make sure we have a current physical on file. All incoming 5<sup>th</sup> graders who want to participate in sports this fall **MUST** have a physical prior to the start of school in August. Physicals are required every other year. If you're not sure if your child needs a physical, please call the office. **Sports begin shortly after the start of school and a physical must be on file in order to participate.** Eliminate stress on yourself and your child by getting physicals in to the office early!

**GOOD LUCK TO OUR 8<sup>TH</sup> GRADERS AS YOU MOVE TO HIGH SCHOOL!**  
**HAVE A GREAT SUMMER EVERYONE!**  
**SEE YOU WEDNESDAY, AUGUST 27, 2025!**
