

Welcome to First Grade

*Mrs. Carla Williams
First Grade 2025–2026 School Year*

Dear Parents and Guardians,

My name is Mrs. Carla Williams, and I am honored to be your child's first grade teacher for the 2025–2026 school year. I have proudly served as an educator in the Clayton County School District for 33 years, and I am thrilled to begin this new journey with you and your child.

In my classroom, I maintain high expectations for all students. It is my goal to help every child reach their fullest potential by providing instruction that meets individual learning needs. I believe that all children can learn, and I am committed to fostering an environment where students are both challenged and supported. I also expect students to contribute positively to our classroom community by demonstrating respectful and responsible behavior.

A strong parent-teacher relationship is essential for your child's success. Throughout the school year, I will communicate with you regularly through notes, emails, phone calls, bi-weekly reports, and parent conferences. Please feel free to reach out with any questions or concerns at carla.williams@clayton.k12.ga.us—your input and support are always valued.

This year, we will also need field trip chaperones and room parents to help make our classroom experiences even more enriching. If you're interested in volunteering, please let me know.

I am truly excited for a school year full of learning, growth, and fun. I look forward to partnering with you and appreciate your involvement and encouragement every step of the way.

*Warm regards,
Mrs. Carla Williams
