May 30, 2025

Last day of the 2024-2025 School Year - June 13th

The last day of school is Friday, June 13th. This will be a **half day** for students and a full day for staff. **Dismissal time on Friday, June 13th for students in grades K through 5 will be 11:45am and students in grades 6 - 12 will be 10:45am.**

Reminder to Vote!

Please make sure you take time to exercise your right to vote anytime between now and Election Day, June 10. So far it is estimated that only 300 citizens have returned their absentee ballots.

Project Graduation Needs Community Support

Project Graduation is a cherished tradition that gives our seniors a safe, fun, and substance-free way to celebrate on graduation night.

To make it happen, we rely on people like you. Helping hands are essential to keeping students safe and ensuring the night runs smoothly — from setup to late-night supervision. Whether you can spare an hour or stay for the evening, your involvement truly matters.

Let's come together to give our seniors the safe send-off they deserve!

Thank you for being part of a community that puts students first!

SHS Track Renovation Project Started May 28, 2025!

We are excited to announce that work has started on the long-awaited project to renovate the running track around the turf field on the High School's Kippy Mitchell Sports Complex. This project has been years in the making, since the first failed Town referendum in 2019. The second referendum passed in November of 2021, and while the turf replacement was completed in the summer of 2022, the track portion of the project has faced delays due to multiple factors, including previous consideration of the sports complex as a potential site for the 2023 school referendum project, as well as overbooking of qualified contractors post-COVID, who were unable to meet the tight schedule required to accomplish the work between the spring thaw and the start of fall sports.

The renovation project includes:

- Detaching and rolling back the turf (to be reinstalled on completion)
- Demolition & excavation of existing track
- Grinding and leveling of sub-base, adding new material if needed
- Installation of new curbing and drainage
- Installation of electrical conduit
- Grading & paving (asphalt)
- Installation of updated track & field equipment (discus, shot put, high/long/triple jump areas)
- New football goal posts, safety netting and perimeter fencing
- Track surfacing with urethane structural spray (Level 5 Track Certification)
- Line and event markings/stripping

What To Expect:

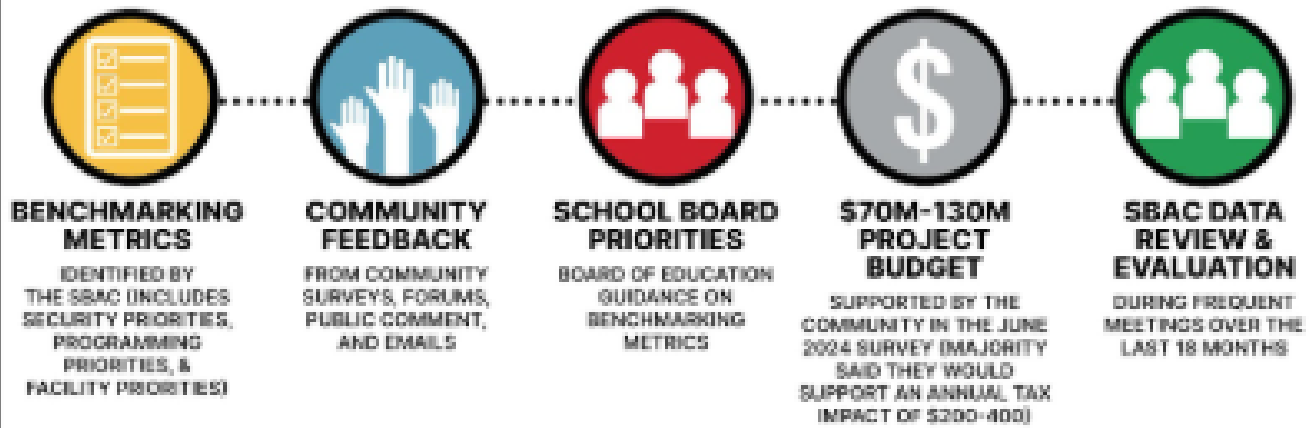

- **The track & turf field area is closed as of May 28**
- There will be **NO PUBLIC ACCESS** to the turf and track area during construction
- The turf & track area will be fenced off as a construction site
- There will be a staging area on Wentworth Drive (between baseball field and skate pond)
- **Please avoid Wentworth Drive** as a route through the Oak Hill campus during this time

Project schedule:

- Last week of May - installation of construction fencing & erosion control
- Beginning of June - demolition of the existing track
- Mid-June through mid-July - installation of curbing, drainage, conduit
- End of July - begin paving, installation of track & field equipment
- Mid-August - final paving & fencing finished; turf field re-installed
- Track surfacing will be the final step, requires stretch of dry weather

Please bear in mind: this is a big project and weather-dependent; all scheduled milestones are estimates. We greatly appreciate the patience and understanding of the Scarborough community as we work to accomplish this long-awaited goal!

WHAT INFORMS THE SELECTION OF THE SUPPORTED SOLUTION?

WHAT ARE THE NEXT STEPS IN THE PROCESS?

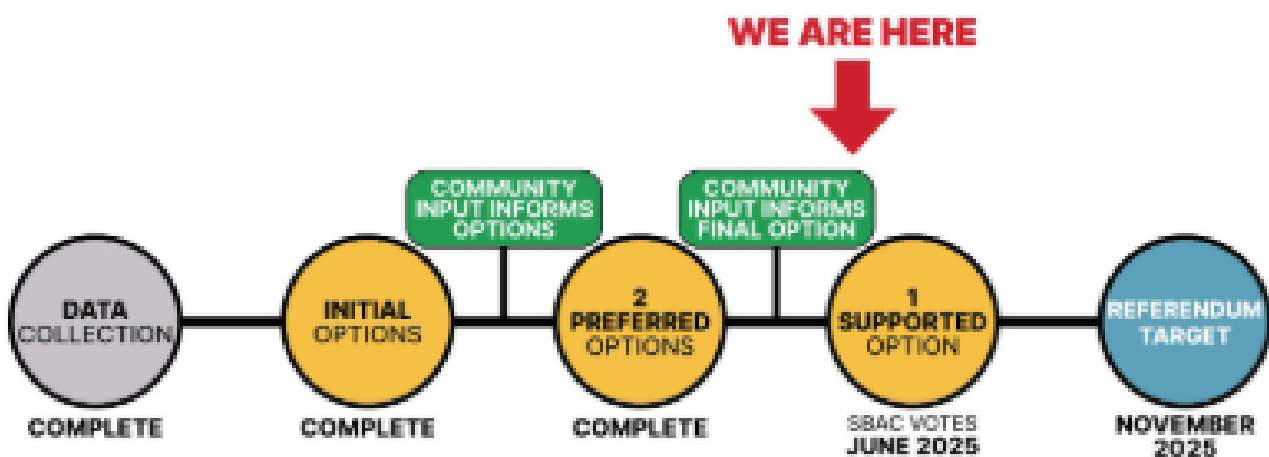

The SBAC will be working over the next 3-4 weeks to identify cost savings measures in the scope, evaluate scope deferments, select the proposed site, and ultimately select the supported option. This decision is targeted for mid-June.

The community is welcome to attend SBAC meetings to follow along and/or share additional public comment. Recordings are also available to watch online. And as always, we will keep you informed along the way via the project website, town and district newsletters, and social media. Stay tuned!

Upcoming SBAC Meetings and School Board/Town Council Meetings (open to the public):

- June 2nd, 6PM - SBAC Meeting, Town Council Chambers A (or Zoom)
- June 5, 6PM - School Board/Town Council Joint Workshop, Town Council Chambers A (or Zoom)
- June 9th, 6PM - SBAC Meeting, Town Council Chambers A (or Zoom)
- June 16th, 6PM - SBAC Meeting, Town Council Chambers B (or Zoom)
- June 23rd, 6PM - SBAC Meeting, Town Council Chambers A&B (or Zoom)
- June 26th, 6PM - School Board/Town Council Joint Workshop, Town Council Chambers A (or Zoom)

Learn How SUN Bucks Can Help Feed Kids Over the Summer!

SUN Bucks is a grocery benefit program to help families buy food during the summer when schools are closed. Each eligible school-age child receives a one-time payment of **\$120**. Children who get these benefits can also participate in other summer meal programs.

How does SUN Bucks work?

SUN Bucks benefits are loaded onto an **EBT card** and can be used to buy food like fruits, vegetables, meat, whole grains, and dairy at grocery stores, farmers markets, and other places that accept EBT benefits.

How do I get SUN Bucks?

Automatic Enrollment

Your child will be **automatically enrolled** for SUN Bucks and does not need to apply if:

- They completed an application for school meal benefit and were found eligible or
- Age 6-16 and part of a household that already participates in SNAP, FDPIR, TANF, MaineCare at 185% FPL or identified as foster, homeless, or migrant by OFI or OCFS.

Keep an eye out! Automatically enrolled households will receive benefits starting in June on an existing Pine Tree card or on a new EBT card in the mail.

Manual Application

Most families will be automatically enrolled. If you haven't received a letter in the mail by June, consider applying for SUN Bucks before August 15 if:

- Your child attends a school that offers the National School Lunch or School Breakfast Program, *and*
- Your household meets the requirements for free or reduced-price school meal benefit.

Do you have a new address?

Make sure your address is up to date with your school and with the Office for Family Independence so your **SUN Bucks** benefits are sent to the right place!

Update your information by calling OFI at (855) 797-4357

Don't wait to use your benefits!

SUN Bucks expire after 122 days.

Project Grace's Backpack Program

Developed many years ago in collaboration with Project GRACE, the [Backpack Program](#) began with a commitment to provide backpacks filled with nutritious, non-perishable foods for students in need over long weekends and school vacation weeks. During the COVID-19 pandemic, the Backpack Program was a critical

resource fighting food insecurity in our community.

In its current form, the Backpack Program continues to provide non-perishable foods as well as fresh produce and meats to families so that our students do not go hungry over school breaks. During the school year, we prepare breakfast & lunch for weekends, holidays and school vacations, in packages that can be picked up once a week at the Wentworth kitchen.

Our community members are essential partners in supporting the ongoing success of the Backpack Program - the program is fully funded by donations and grants. Monetary donations are always appreciated and can be sent via check to the district Business Office at P. O. Box 370, Scarborough ME 04070-0370, or made online through our [RevTrak web store](#).

2025-2026 School Calendar Approved!

At the March 6th board meeting, the board approved the 2025-2026 calendar. It is very similar to this year's calendar, and will allow for up to three "traditional snow days" (or any type of unplanned "no school" days). If more than the allotted three days are needed, those days will be **asynchronous** remote learning days, consistent with how the school calendar has looked like for the past few years.

The 2025-2026 school calendar can be found [here](#).

Work Permits

Work Permit Information for Minors Under 16 Years Old

Once a minor under 16 years old has the promise of a job, they must obtain a work permit before beginning that job. This includes students who are homeschooled. They must get a new permit every time they begin a new job until they reach 16 years old, even if they work for their parents.

In order to apply for a work permit, the minor must be:

- enrolled in school
- not habitually truant or under suspension; and
- passing a majority of courses during the current grading period.

A copy of the [Maine Work Permit Form can be downloaded here](#). Once this form is completed and signed, the work permit application should be delivered to the superintendent's office (Scarborough Town Hall, 259 US Route 1) with a **copy of the minor's birth certificate, passport or permanent resident card**. You may also email this information to Melissa Booth (mbooth@scarboroughschools.org) If you have general questions please call Melissa at 207-730-4100.

The superintendent's office will forward the information to the Maine Department of Labor. This process could take up to one week. If the permit is in order, the MDOL will validate/approve the form. A staff member at the superintendent's office will email a copy of the approved work permit to the student and the parent/guardian who gave permission for the permit.

1. Minors should bring the approved work permit to their new employer.
2. A minor can have one active permit during the school year and two during the summer.
