

Inclement Weather Information

Inclement weather will be here soon! Below you will find some information about the preschool inclement weather plan.

➡ **Two Hour Delay:** When there is a two hour delay the AM preschool is canceled. PM preschool will begin at normal start time of 12:20. If you are in a full day program, preschool will begin at 12:20.

➡ **Early Release:** Every now and then we have an early release. This happens when inclement weather hits us by surprise after the school day starts. In that case you will receive a One Call Now notifying you that school will be released early. If your child rides a bus, then the bus will bring him or her home at the earlier stated time. If you self-transport your child, the one call will notify you what time to pick your child up from school.

➡ **School is Canceled:** If school is canceled, we will have no preschool for all students.
