Behavior Management

At LTISD Summer Squires, we are committed to providing a safe, positive, and enjoyable environment for all campers. To maintain this standard, all participants are expected to follow the discipline guidelines outlined below.

Standard Discipline Management Plan

In the event of behavioral concerns, the following steps will be taken:

1. **Verbal Warning** – Staff will verbally address the behavior with the student.
2. **Documentation & Acknowledgment** – Staff will document the incident, and a parent/guardian will be asked to initial the record at the time of sign-out.
3. **Formal Written Report** – A written report will be provided for parent review and signature, with a copy sent to the District Community Programs Director.
4. **Further Incidents** – Additional written reports may result in the child's removal from Summer Squires for the remainder of the summer.

5. **Program Dismissal** – If a child is removed from the program, fees already paid may not be refunded.

Alternative Discipline Measures

In cases of severe or extreme behavior, immediate action may be taken without following the standard discipline steps. These behaviors include, but are not limited to:

- Repeatedly causing harm to themselves, others, or property.
- Ongoing defiance, disrespect, or refusal to follow camp rules.
- Persistent refusal to comply with staff instructions.
- Any form of verbal abuse, physical aggression, or harassment (including sexual harassment) directed at students or staff members by campers or their parents/guardians.

Other Grounds for Suspension or Dismissal

Additional circumstances that may result in suspension or removal from Summer Squires include:

- Failure to pay camp fees prior to the enrolled week.
- Repeated late pick-ups.
- Any other behaviors or actions deemed inappropriate by the District Community Programs Director.

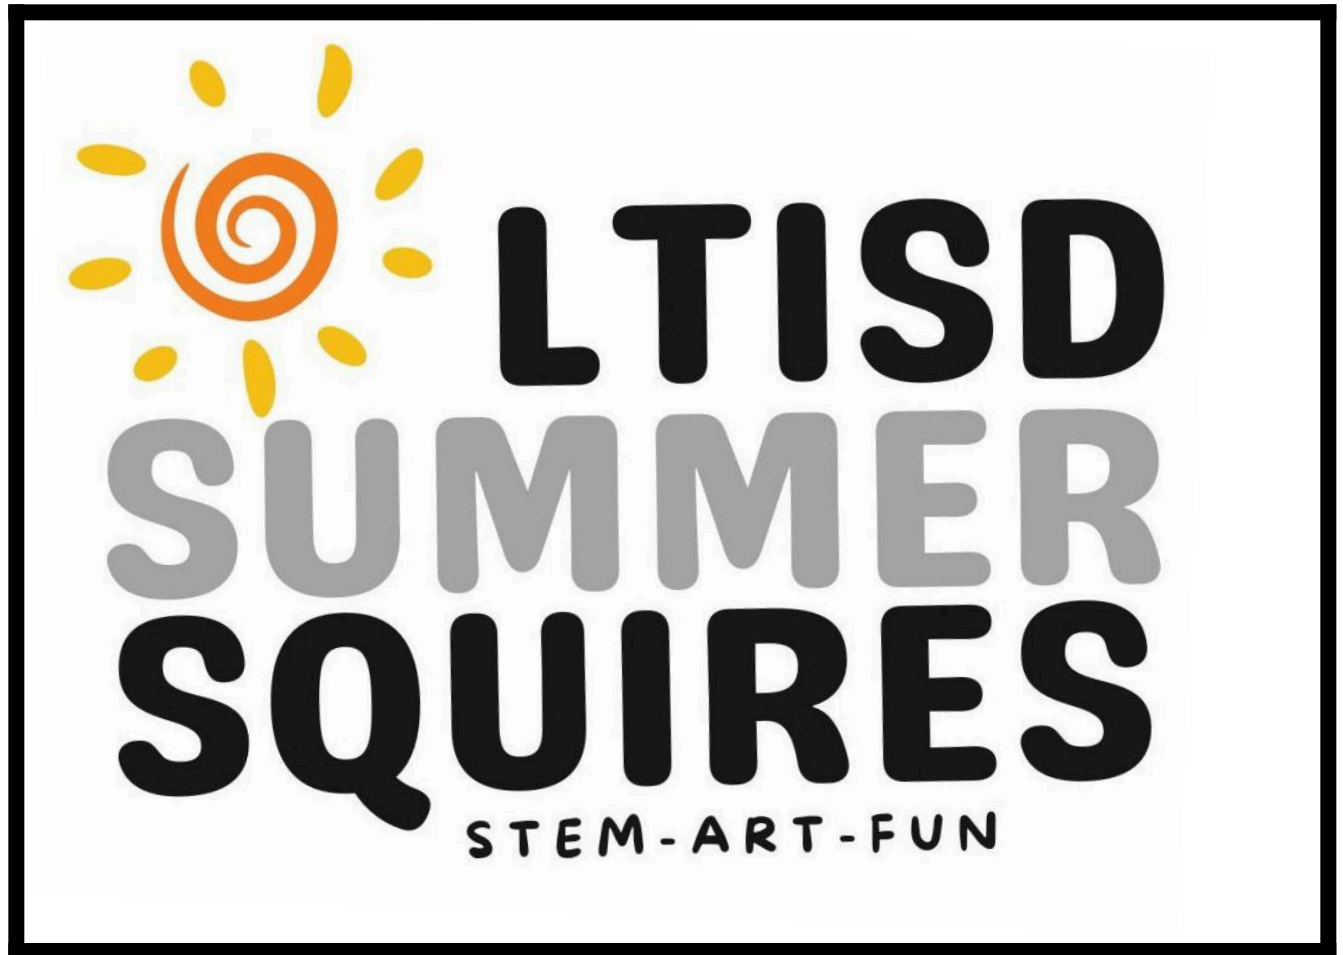

Our discipline policies are in place to ensure that all campers have a safe, respectful, and enriching experience at Summer Squires. We appreciate your cooperation in reinforcing these expectations with your child.

SMART DEVICES

Summer Squires is a smart device-free zone. Student smart devices, including phones, headphones, and watches, are not permitted for use on campus. Exceptions may be made for medical purposes. Any unapproved use of a smart device by a student will result in confiscation and we return to parents at the end of the day.
