June 12 - 8th Grade Step Up Day

Enjoy your summer!!!

School Counseling Department Highlights

Please click the link to find a list of summer enrichment programs, such as pre-college programs, camps, and workshops. [2025 Summer Programs](#)

Schedules will be released to students before the end of the school year. Please keep in mind that counselors will only be changing schedules if you are missing a class or need to change a core class. We do not change schedules to accommodate junior/senior options, friends in your class, or preferred teachers. If you need a schedule change, please email your counselor to make an appointment.

Mrs. Anderson will be on maternity leave from Monday, June 9-Friday, October 31st.

Please see below for counselors covering her caseload while she's out, assigned by last

name. The first letter of your last name correlates with which counselor to contact (listed below).

Last name A-B - Kristin Knarr, kknarr@sau41.org

Last name C-D - Mary Carper, mcarper@sau41.org

Last name E-Ge - Melissa Moyer, mmoyer@sau41.org

Last name Gi-Z - Dan Bumbarger, dbumbarger@sau41.org

Many of our Honors and AP classes require summer work to be completed before the next school year. Summer work will be posted on the [school website](#) once it becomes available.

Cavaliers CARE Winners

In February, HBHS piloted our “Cavaliers Care” program, where staff can nominate students (and other staff members) for being kind and upholding our HBHS values: Integrity, Intellectual Curiosity, Innovation, Individuality, and Involvement in HBHS Community. The winners are celebrated with a certificate and a pizza party. We are proud to announce our CavsCare Winners below!

9th - Melanie Harmon Stone

10th - AJ Thibeault

11th - Phea Samrong

12th - Kathleen Wilkish & Marshall McPherson

Staff - Stacey Plummer

Community Wellness Ambassadors (CWA)

Community Wellness Ambassadors (CWA) hosted their 3rd Annual Walk For Change. May is mental health awareness month. The students did a great job highlighting the importance of self care and taking care of one another. After a rowdy Pep Rally with beach balls and the wave, students and staff participated in a guided walk around campus

where they read posters about mental health awareness. The afternoon was abuzz with activities that promote mental health. Such activities included henna tattoos, rock climbing, a visit from Skippy the Hollis Police Department's Service dog, live music, sporting events and so much more!

Dual Enrollment with CCSNH

Did you know high school students can take two college classes per year through the Community College System of New Hampshire for FREE? HBHS partners with CCSNH to allow our students to access free college courses that count as high school credit. These can be taken online or on campus. See your school counselor for more information!
