Parking Permit Information
Student Copy

2025 – 2026

Students Must have a Valid Driver's License and Current Insurance (Insurance Must Cover the Student and the Vehicle that is Registered to Park on Campus

Permit Should Be Clearly Displayed On The Rearview Mirror of Vehicle

The Walton County Board of Education provides transportation for most students to and from the school in which they are assigned based on residence. Since transportation is provided, the operation of a motor vehicle by students on campus is a privilege. **This privilege will be revoked by the administration at any time if school regulations are not followed.** All vehicles must have the current school year parking pass clearly displayed on the rearview mirror of their vehicle. Students are not allowed to park in designated spaces for STAFF, VISITORS, or ON CROSSWALKS, ON CURBS, or IN GRASSY AREAS. Students must only park in the designated student parking lot. Students who are not parked in designated student spaces, or who do not properly display the parking pass, may have a Warning Sticker placed on their vehicles. Students who move their vehicles to accommodate after-school activities may not do so until all buses have left the premises once school has dismissed for the day. Unauthorized vehicles on campus may be towed at the owner's expense.

- The Student Parking Area is designated as the space between the green line and the parking lot entrance on Guthrie Cemetery Road.
- Students may park in any of the parking spaces in this designated area. You do not have to park in any one space. (i.e. You may park in a different space in this designated area each day, depending on availability.)
- Pick-Up Trucks and Large Cars should park in the spaces located on the perimeter of this designated area.
- Students who purchase a yearly parking pass and need a temporary daily pass (e.g. different vehicle) will not need to pay $1.00. Please see Mr. Wheeler in the Parking lot or Mrs. Pope in the front office for a temporary daily pass. Passes are transferable from car to car.

School officials have the legal authority to conduct a search of any vehicle parked on campus if a reasonable suspicion exists that illegal and/or forbidden items are contained in said vehicle. Students who are excessively tardy or absent from school may lose parking privileges. Students who leave campus without permission may have their parking permits revoked. Neither Walnut Grove High School, nor Walton County Public Schools (including the Walton County

Board of Education) assumes any responsibility for damages or loss to student vehicles while parked on campus. Students park at their own risk.

Students who do not follow these regulations may have their parking permits revoked and/or receive further disciplinary consequences. No one will receive a refund of parking fees if the parking permit is revoked. Students are expected to park their cars and immediately enter the school building at the appropriate hour.

****ALL SALES ARE FINAL: Non-Transferable-No Refunds; Lost/Damaged Pass Must Be Replaced at cost of $20.00****

****Temporary Parking Passes may be purchased with Parking Monitor at the cost of $1.00 per day. Students with yearly parking pass will not be charged $1.00 for a temporary pass. Students purchasing temporary parking must park in the designated student parking lot.***
