MAY EVENTS & HIGHLIGHTS

JUNE 2025

[f @SMSATIGER @SMESACUBS @STMARTINMAGNETPROGRAM](#)

As we head into summer, it's a perfect time to reflect on the importance of connection and community. May has been a busy and exciting month, filled with awards ceremonies, special programs, fun activities, and moments that brought our community together. These events not only celebrated our students' hard work and achievements, but also highlighted the strong sense of connection that makes our school such a special place.

SMESA - PREP FOR SUMMER!

Favorite highlights for students this month were the hands-on STEAM Night full of building, exploring, music, animals and other engaging activities with our families. The Glow Party PBIS incentive was a HUGE success! First grade students rocked their For the Birds performance, and it wouldn't be the end of year without amazing awards ceremonies & programs.

SMSA - WRAPPING UP THE YEAR!

May was a BUSY month PACKED full of well-deserved awards ceremonies, end-of-year testing and even a student Talent Show! SMSA also had their STEAM Night jam-packed full of activities for families to explore from robots and snakes to science experiments, dance and more! Some students also enjoyed the UL STEM Extravaganza field trip!
