## Triple Tree Aerodrome

May 12 - May 16, 2025

Aerospace Engineering and Innovations in STEM students traveled to Triple Tree Aerodrome in Woodruff, SC. They toured the hangar to see a variety of airplanes still in use. They also saw the restoration center where the planes are repaired and the RC Plane air show. Aeronautic enthusiasts travel from all over the world to participate in the annual event. Students were able to fly some remote controlled planes and ask experts for advice on their own designs.

## From the Nurse Office:

If a student has medication in the nurse's office, it will need to be picked up on or before May 6th, 2025, by 3:30pm. If the medicines are not picked up on May 6th, they will be destroyed.

Any Emergency meds, needs to be picked up on 5/6/25, no later than 3:30pm and must be here while the student is present.

Parents can call the Nurse's office to make plans for pick-up.
