***** ATHLETIC/ACTIVITY ELIGIBILITY DATES ARE ON THE REVERSE SIDE *****
2025-2026 ACTIVITY CODE ACADEMIC ELIGIBILITY

- In order to be academically eligible to participate in competitions/events, a student must have no failing grades. A student not meeting this criterion will be ineligible for games/competition/events for fifteen (15) consecutive scheduled school days and nights. The ineligibility will begin on the fifth (5th) scheduled school day following the end of the first (1st), second (2nd), or third (3rd) quarter.
- To regain academic eligibility, the student must complete a grade check form from the activities director and obtain signatures of all their current grading teachers. This should be done on day thirteen (13) or fourteen (14) of their ineligibility.
- If a student has no F's or I's after the grade check form is completed, they would become eligible on the sixteenth (16th) school day. If the fifteenth (15th) day falls on a Friday, the student is not eligible until Monday. To maintain eligibility, the student must complete a second grade check form on day thirty (30) to ensure continued passing grades in all classes.
- Grade changes and removal of an incomplete grade (I) must be completed within two weeks of the date grades are posted for students to maintain eligibility.
- It does NOT matter what class the student received the F or I in - it still counts towards academic ineligibility.
- **Only quarter grades affect eligibility, semester grades do not affect eligibility.**
- **Only full-time students are allowed to participate in athletics.**
