

Elmwood's "Parent Friendly" Parent and Family Engagement Plan

At Elmwood, we believe that strong partnerships with families lead to greater success for students. We are committed to supporting parents and families in every step of their child's education.

Resources for Parents

Our library offers helpful resources, tips, and tools to support you in building parenting skills and promoting learning at home.

Open and Ongoing Communication

- Parent-Teacher Conferences held twice a year
- Quarterly progress reports and semester report cards
- 24/7 online grading system for real-time updates
- Prompt responses to all phone calls, emails, and notes

If you have a question or concern, please reach out—we're here to help.

You Are Always Welcome

- Visit the school or have lunch with your child
- Volunteer in classrooms or at school events
- Be a guest speaker or reading buddy
- Help with tutoring or special projects

Your presence makes a difference, and we appreciate your time and talents.

Supporting Learning at Home

- Ask your child about their school day
- Check their planner and online grades regularly
- Encourage organization, preparation, and a positive attitude toward learning
- Stay in touch with teachers—they value your partnership

Shared Decision-Making

We believe your voice matters. Parents and community members are invited to help shape our school programs and priorities. Your feedback helps us grow stronger together.

Join us in building a school where every child—and every family—feels supported and valued.

I have received a copy of the Elmwood Middle School Parent Information Packet and the Parent Friendly Parental Involvement Plan.
