Mesaj Direktè a

Madanm Montgomery

Pandan ane eskolè sa a ap fini, e pandan m ap prepare m pou m ale nan Cornerstone, m ap reflechi sou kat ane ki sot pase yo ak tout bèl souvni ak eksperyans mwen te rasanble sou wout la. Mwen ekri sa a ak yon kè plen rekonesans ak apresyasyon, mwen espere eksprime mèsè sensè mwen a chak ak chak nan nou. Patenarya w ak sipò w te gen anpil valè. Ansanm, nou te travay pou asire ke chak timoun resevwa pi bon edikasyon posib, epi patisipasyon ou anrichi kominote lekòl nou an nan plizyè fason. Mèsè paske w pèmèt mwen fè pati lekòl remakab sa a. Mwen pral toujou cheri tan mwen nan Kean epi mwen rete pwofondman rekonesan pou opòtinite pou sèvi kòm direktè ou. Pase yon bon ete.

YMCA ak Kean

Apati ane lekòl pwochèn, YMCA nan Konte Wayne pral ranplase Generals Club kòm pwogram Kean anvan ak apre lekòl. Pwogram nan pral menm jan an epi yo pral toujou rete nan Kean Elementary. Enskripsyon pou YMCA nan Kean ouvè 1ye jiyè. Pou w enskri, kontakte Nathan Colwell lè l sèvi avèk enfòmasyon ki anba a.

Meet the Principal Mr. Nash

About Me:

I'm excited and honored to be the new principal of Kean Elementary starting August 1st! I was raised here in Wooster and graduated from Wooster City Schools, so this community is very special to me. For the past 17 years, I've worked in education in Davis School District in Utah—serving as an elementary school administrator for 10 years, a school counselor for 5 years, and a district director for 2 years. I'm married and have two amazing adult sons.

My Favorites:

A few of my favorite things include relaxing in the kitchen with a good step-by-step recipe—there's something special about following the process and creating meal to enjoy with my family and loved ones. I enjoy the simple things in life, like a quiet walk or a light jog. I have a struggling enjoyment of golf! – I appreciate the feel of swinging the club and the focus it takes. I grew up playing basketball and baseball, and while I still enjoy both, I also really enjoy watching a great theater production for the creativity and energy it brings.
