

Addendum 2
BUUSD Board Meeting
June 2, 2025

BUUSD School Board Briefing Memo June 2, 2025

AGENDA ITEM DESCRIPTION: Bids for Summer Project

BACKGROUND/SUPPLEMENTAL INFORMATION:

You voted on the Barre Town and Barre City StormWater Projects to be taken out of the Capital Reserve Fund. The total amount of \$49,933 is under the \$100,000 reduction from the General Fund during Budget deliberations for FY26. Barre City has the fewest AC units in the district, and the maintenance room at BC gets so much heat from the equipment that it cannot be used as an office in the summer.

ATTACHMENTS: Summer Project Bid list

RECOMMENDED ACTION/MOTION:

The Administration would like to add two air conditioning units for \$36,500, to be paid from the Capital Reserve Fund.
