Nicole Williams Named Principal of Johnson Elementary School

Southlake, Tx. - Carroll ISD is proud to announce the promotion of Nicole Williams as the new principal of Jack D. Johnson Elementary School (JES). A dedicated and familiar face within the JES community, Mrs. Williams brings nearly a decade of experience in Carroll ISD and a deep commitment to students, staff, and families.

Though the principal role is new to her, Mrs. Williams is no stranger to Johnson Elementary. Since 2018, she has faithfully served as assistant principal, playing an essential role in shaping a nurturing and academically rigorous campus culture. Her collaborative leadership and strong relationships have made her a trusted advocate for students and a valued partner among staff and parents.

In addition to her campus responsibilities, Mrs. Williams serves as Carroll ISD's instructional materials coordinator, working closely with the Curriculum and Instruction Department to ensure all students have access to high-quality instructional resources. Her dual leadership roles reflect a broad understanding of both instructional strategy and day-to-day campus operations.

Mrs. Williams began her teaching career in Coppell ISD, where she taught 4th grade from 2014–2016. She joined Carroll ISD in 2016 as a 6th grade Language Arts teacher at Eubanks Intermediate School before stepping into campus leadership. She earned her Master's in Educational Leadership from the University of North Texas and holds a Bachelor of Science in Elementary Education from the University of Oklahoma.

"Over the last decade, I've become fully invested in our community and everything it means to be a Dragon," said Williams. "Johnson Elementary is my home, and I am truly humbled, honored, and thankful for the opportunity to serve our students, families, and staff in this capacity. I am beyond excited to continue the tradition of excellence at Johnson Elementary."

"Mrs. Williams exemplifies the kind of leader who builds strong relationships, maintains high expectations, and puts students first," said Superintendent Dr. Jeremy Glenn. "She is well-prepared to lead Johnson Elementary into its next chapter."

Please join us in congratulating Principal Nicole Williams on her well-deserved promotion! Carroll ISD looks forward to a bright future at Johnson Elementary under her leadership.
