## Construction Update #04

June 2, 2025

Rebuild & Enlarge Construction Timeline: April 2025-December 2026

Last month, the Design Build team began installing the geothermal system north of where the portables used to be. So far, we have drilled 14 wells. For more information about this process, please visit the links below:

We've heard that Rockwell might be a little excited for summer break... and we wish you a safe and sunny summer! While you're on break, the Design Build team will be busy installing an aggregate pier system beneath the footprint of the new building. Aggregate piers are underground columns of compacted rocks. These underground columns will provide additional structural support for the new building. For more information about this process, please visit the link below:

Please reach out to Ina Holzer or Ryan Ota with questions and/or requests for information (contact information below).

### Project Team:

LWSD Senior Project Manager, Ina Holzer, [iholzer@lwsd.org](mailto:iholzer@lwsd.org)

LWSD Project Manager, Ryan Ota, [c-rot@lwsd.org](mailto:c-rot@lwsd.org)

Lydig Site Superintendents, Jason Schmidt and Steve Fromm

Lydig Project Managers, Ian McDonald and Heidi Buchberger

### What To Expect During Construction

Early site work construction began April 14!

#### Working Hours:

Standard working hours:

7 a.m. – 4 p.m. Monday-Friday

Throughout the course of this project, construction may occur late and/or on work weekends to maintain schedule. In those circumstances, we will abide by the City of Redmond's noise and work hour ordinances (as follows):

7 a.m. – 7 p.m. Monday - Friday

9 a.m. – 6 p.m. Saturday

Not allowed on Sunday/Legal Holidays

#### Deliveries:

The primary construction entrances will be on 162nd Ave NE. Deliveries will not be allowed outside of our working hours. Deliveries will not occur during pick up and drop off times.

#### Noise & Vibration:

Lydig adheres to all local and state noise codes. Heavy machinery and construction equipment shall not be operated during non-working hours. Trucks and equipment idling will not be permitted to idle on site before 7 a.m. Please note the back-up alarms on our vehicles and equipment are required by WISHA and cannot be disabled.

#### Personal Conduct:

All Lydig employees and subcontractors undergo a mandatory safety and personal conduct orientation meeting. This includes, but is not limited to, site regulations on language, harassment, music/radios, tobacco use, litter and leaving/entering the job site.
