These 1 to 3 credit classes are available to CVHS students as offcampus programs and may require an additional travel period. Students MUST be in 11th or 12th grade to travel. All off-campus CTE programs require a CTE application. Students can complete the application at www.ccisd.net/cteapplications. Log in using Student ID and Lunch Pin. See your counselor for more information.

All students are strongly encouraged to pursue at least one (1) of twenty (20) options available through the five (5) **Endorsement Pathways** plus the **Distinguished Level of Achievement** (DLA) that are a part of the Foundation High School Program for graduation. For more information on the FHSP, endorsement options, DLA, and which courses meet your endorsement pathway, please refer to pages 131-164 of *CCISD's Educational Planning Guide*.
