## GO THE DISTANCE!

*BY MR. AMODEO, PRINCIPAL/  
CURRICULUM COORDINATOR*

West Valley Central School truly appreciates all those who were able to come to our annual budget vote on May 20 and for participating in our first STEAM Fair. We thank you for supporting our school's budget that allows us

to provide opportunities for our students and community.

Even though June is here, it's not quite time to celebrate the end of the school year. We still have a few important weeks ahead, especially as students begin taking their Regents exams. Testing kicks off on June 10 with the administration of the new Biology Regents and continues through June 25.

Throughout June our elementary students will be attending several field trips that will engage them in learning experiences connected to their grade level curricula. The field trips range from the Buffalo Zoo to the Challenger Learning Center.

The Spring Band Concert will be held on June 5. On June 9 we will celebrate the academic achievements of students at the Academic Awards and Scholarship Banquet. Our Spring Sports Awards will be held on June 11 followed by the last regular day for students in grades 7-12 on June 13, when we will have our Spring Pep Rally.

The end of a school year is always a time to reflect and celebrate the achievements of our students throughout the year. The success of our students at West Valley Central will be most evident at our senior graduation ceremony on Friday, June 27 at 6:30 p.m. in our auditorium. I would like to congratulate our seniors on their upcoming graduation and for all their accomplishments during their time at West Valley Central School. They have persisted through much adversity to achieve this milestone. I am proud of all of you and wish you all the best in your future.

As this is our last newsletter edition for the 2024-2025 school year, I want to express how proud I am of our students, parents, staff, Board of Education, and community for making this a successful year. I am already looking forward to the start of a new school year, but before we get back to work in September, please have a fun and safe summer!

# VOTE DAY 2025!

May 20 was packed with activity at WVCS! In addition to being Budget Vote Day, we hosted a STEAM Fair showcasing student projects and artwork, welcomed the WNY FeedMore Farm Market, and held a Class of 2025 dinner fundraiser. To top it off, our track team had a home meet and celebrated Senior Night. **IT WAS A GREAT DAY TO BE A WILDCAT!**

# INTRAMURAL PRIDE

West Valley Sports Boosters is proud to announce that we were able to purchase a t-shirt for every athlete that participated in our intramural program this spring. Our organization's goal is to support and help our athletes in any way possible. We feel that the future of our athletic programs is in the elementary grades, and it has been so enriching to watch the 3-6 grade athletes get so excited and geared up for sports. We would like to thank Mr. & Mrs. Froland, Mike Harmony, and Annalise Smith for their help raising the funds during track meets and cross country meets. Please let Emily or Connie Kazmierczak know if you would like to become a member of the Sports Boosters.

Pictured are some of our intramural volleyball athletes.

## Teacher Appreciation Week!

# PARENTS AS READING PARTNERS PROGRAM

The Parents as Reading Partners (PARP) program ran from May 6 to May 16. This year's theme was FIESTA: Reading is Red Hot! Throughout the two weeks, students participated in a variety of fun activities, including "Dress in Red" Day, "Sock it to a Good Book" (wear crazy socks), "Dress as a Book Character" Day, "Twin with an Amigo" Day, and "Wear a T-shirt with Words" Day.

Students also added to our Taco 'Bout a Good Book! bulletin board by filling in paper tacos with the titles of their favorite books. Each child received a new book to keep and enjoyed chips and salsa for a snack!

The PARP hallway was transformed with decorations featuring numbers and colors in both Spanish and English, silly pictures of teachers holding labeled objects, and a vibrant **"FIESTA!"** word display. Older students enjoyed a scavenger hunt that challenged them to explore and learn from the PARP wall.

We wrapped up the celebration with our annual PARP Carnival, held on Friday, May 16 during 10th period in the gym. Sixth graders, along with several high school students who were past PARP participants, did a fantastic job running the games and handing out popcorn.

Thank you to all the adults, students, and parents who supported the PARP program and helped make it a wonderful success!

# 8<sup>TH</sup> GRADE WASHINGTON, D.C. TRIPI

The 8th grade class spent April 27–30 exploring Washington, D.C.! From memorials to museums, students experienced U.S. history firsthand. Guided by the Close-Up program — a national organization that's been running D.C. trips for 50 years — our students learned alongside peers from across the country.

## UNIVERSITY AT BUFFALO RESEARCH SYMPOSIUM

West Valley students recently participated in the UB Metagenetics Research Symposium, joining representatives from 20 other schools at Jacobs Medical Center to present their research findings to peers, educators, and medical researchers. As part of the project, students analyzed environmental DNA samples and made a noteworthy discovery—a clinically significant strain of *Chromobacterium vaccinii* carrying an antibiotic resistance gene. This strain was identified from a water sample collected at Scoby Dam.

## Reality CHECK

"Mobilize Against Tobacco Lies" is a collaboration of youth and supporting organizations that focus on the tactics of the tobacco industry and the effects it has on their local communities. West Valley's Reality Check members Payton Ehnes and Abby Pinkowski joined the youth advocates to rally outside Altria's annual shareholder meeting in Washington, D.C. While the tobacco giant bragged to the shareholders about its profits, youth advocates exposed the truth about its deadly and highly addictive business. West Valley is proud of Payton and Abby for joining forces with other Reality Check members who stood bravely against this deadly industry.
