On a point of privilege Mr. Gaines congratulated Ms. Voitier on her presentation

at the Kiwanis meeting earlier in the day.

Under Superintendent's Recommendations Ms. Voitier mentioned that we are in the last week of school for students and teachers with exit ceremonies and high school exams occurring this week with Summer Skills beginning next week. She also mentioned the Performing Arts Production of "Into the Woods" and the Maumus Center Science Camp which occur in June.

Ms. Voitier also offered Congratulations to the Graduating Class of Chalmette High with close to 450 graduates they amassed over 13 million dollars in scholarships, 270 exited with college credit with 7 students also receiving associates degrees from Nunez Community College. An additional five students received a certificate in technical studies in welding. Graduates earned over 130 industry based certifications, all of which assist students in acquiring jobs right out of High School. Overall, she stated that the Chalmette High School graduates are a very accomplished group. Other honors include a National Merit Finalist and Posse Scholarship winner.

Mr. Warner asked Ms. Voitier to share the news about our Graduation rate at Chalmette High. She announced that Chalmette High had a 91% graduation rate which is one of the highest in the state. Congratulations were offered by the Board and the Superintendent to the Administration and Staff of Chalmette High for this accomplishment.

On motion of Mr. Campbell and seconded by Ms. Asevedo, and passed by a unanimous roll call vote, the meeting was adjourned.
