- All Christian Service hours must be logged via **Mobileserve** (no paper copies will be accepted).
- Approved service to be done on or off campus must take place outside of regular school hours.
- Students who do not abide by Bishop Verot "The Honor Code beyond Academics" (3.4) as outlined in the School Handbook will NOT receive credit for service hours and will be subject to disciplinary action.
- Students must complete the number of required hours and document via **MobileServe** by the deadlines listed below.
 - Students who fail to meet the yearly requirement will NOT be issued a class schedule for the upcoming fall semester until the yearly requirement is fulfilled.
 - If a student exceeds the yearly requirement, the hours will not count toward future years.

JUNIORS		15 hrs	n/a	30 hrs
SENIORS		15 hrs	30 hrs	N/A

*To graduate **ALL** students are required to complete a cumulative total of 100 hours.*

- **Summer Service Hours.** All Christian service hours completed over the summer must be documented via MobileServe by **September 2, 2025**, to receive credit.
- **Transfer Students.** Students who have transferred into Bishop Verot will only be required to complete hours for years attended. Students who have transferred in in the middle of the school year are required to complete half of the year total.

1. Pre-Approved Service Sites:

- Students may earn Christian service hours only at sites which are already listed and approved (by Bishop Verot) either in the MobileServe app, on the School Website, or in the School Handbook. This will ensure that service activities are aligned with the mission and values of the program. A site or event that was approved in previous years will not be approved if it is not on the approved list.
- If your child wishes to work with organizations other than those that are listed, we certainly encourage them to do so as part of their personal growth. However, those hours will not count toward the minimum hours required each year.

2. Limit on School-Related Service Hours:

- Students may earn a maximum of 10 TOTAL hours per year for school-related service activities.
- Summer camps operating under an LLC or serving as a fundraising opportunity for the team will not count toward the Service Hour requirement. Please note: Your coach may require your participation in these camps as they operate as a fundraising opportunity for a team or club.
- Approved School-Related activities would be: Freshman Retreat or helping in a special capacity as requested/authorized by an Administrator.

3. Fundraising Activities:

- Service hours will not be approved for any activity that involves fundraising for a team, club, or organization the student is part of. While these efforts are valuable, they are not considered Christian service as they directly offset expenses for the student or their family.

4. Verification, Documentation, and Submittal of Service Hours:

- All service hours must be verified, documented and submitted via **MobileServe** within two (2) weeks of the service date. Verification of hours must contain at least 3 of the 4 methods listed below.
 1. Email verification from official representative on file with **MobileServe**.
 2. Electronic signature of an official representative on file with **MobileServe**.
 3. Photos of student at the service site. **STUDENTS MUST BE IN THE PHOTO!**
 4. Geolocation from your electronic device.

False documentation of Christian service will be punished as academic dishonesty and a violation of the honor code. In addition, the student will be subject to disciplinary action for honor code violations as outlined in the Handbook.

Students who do not complete the required hours by the required deadlines will be issued one Saturday detention. Students who fail to meet the yearly requirement will NOT be issued a class schedule for the following semester until these hours are completed. Continued non-compliance, students may not be promoted to the next grade, and final exams will be withheld. In the case of seniors, students will be barred from senior privileges, events and will not be allowed to graduate. In such cases, a Summer Service Agreement will be required, with approval of sites from the Christian Service Hour Coordinator.
