BID# 25.2
Video Intercom, Cabling and Installation

Addendum# 1 – 06/02/25
(Total of 4 page including attachments)

A. REQUEST FOR INFORMATION/OTHER (Q&A):

1. **Question**: Pathway provisions- Plan to use ¾ inch EMT for exterior and Panduit plastic latch duct interior where necessary. Is this acceptable?
   Response: Yes.

2. **Question:** Paint provisions to match existing walls/ ceilings will be excluded, correct?
   Response: Correct, painting is not required.

3. **Question:** There will be no trenching required, correct?
   Response: Correct, no trenching.

4. **Question**: Will the awarded contractor be issued keys and security codes?
   Response: HUSD will ensure that contractors have access for the days and times they need access and alarms are disarmed. Contractor will be asked to give an approximate calendar to ensure access.

5. **Question:** What is the retainage percentage, if any?
   Response: There is no retainage on this project.

6. **Question**: How long is the required workmanship warranty? Is it one year?
   Response: 1 year.

7. **Question:** Are there any liquidated damages? If so, what is the amount per day?
   Response: No liquidated damages.

Scope of work:

Cabling:

- 1 CAT6A cable shall be run from the nearest IDF to the front entrance location identified by the school site.
- All cabling shall either be above ceiling, in raceway, or in conduit.
- All exterior conduit shall be waterproof, sealed at all connection and penetration locations.
- Cabling shall adhere to district standards:
    - Panduit CAT6A
    - Panduit jacks and plugs
    - All work shall be done by a Panduit certified installer for warranty compliance
    - Follow all standards in Exhibit D HUSD network standards documentation
    - Adhere to Exhibit C HUSD network specifications
- Fluke test results shall be submitted and approved by HUSD

Video Intercom device

- 101Voice intercom is provided by HUSD
- Contractor shall install device at the front entrance location
- Ensure that all connections are waterproof
- Device mounting shall be done to protect against vandalism.
- Device shall be programmed using connection information provided by HUSD
- Final testing shall be done to ensure a video connection to at least 1 office phone.
