## A WORD FROM ICOE COMMUNITY SCHOOLS TEAM

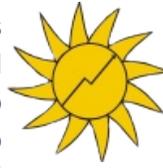

Happy New Year! As we step into 2025, we're excited to continue building strong partnerships that support students, families, and communities. This year brings new opportunities for collaboration, innovation, and meaningful impact. Together, we can create a thriving educational environment where every student has the support they need to succeed. Thank you for your dedication to our shared mission. Wishing you a wonderful start to the new year!

## SEELEY UNION SCHOOL DISTRICT

Seeley Elementary is excited to host its first School Garden Kickoff this Tuesday! Parents and children are encouraged to bring seeds or seedlings to contribute. CFHL, UC, and UC FarmSmart will provide tabling resources.

We also hosted an ELPAC Parent Workshop to help parents understand the ELPAC assessment. Two sessions were offered, at 10 AM and 4 PM, to accommodate different schedules.

## HOLTVILLE UNIFIED SCHOOL DISTRICT

Holtville Unified School District hosts an informational booth at local farmers markets, engaging with parents to conduct in-person LCAP surveys. This initiative fosters trust, strengthens family-school partnerships, and helps the district better understand student and family needs.

A collaborative effort involving administrators, teachers, staff, local churches, businesses, and outreach programs provided turkeys and other food items to support students' families during Thanksgiving.
