

COMMUNITY SCHOOLS NEWSLETTER

APRIL 2025

HOLTVILLE UNIFIED SCHOOL DISTRICT

Finley's Kindness Day, hosted by Ms. Herrera and Ms. Terrill in partnership with the Sheriff's Department, encouraged students to spread positivity by writing kind notes to peers and teachers—fostering a sense of appreciation, connection, and respect throughout the school.

The Imperial County Sheriff's Office held a tobacco prevention session in Holtville, educating parents on the dangers of e-cigarettes and tobacco products, and encouraging healthy choices to support their children's well-being.

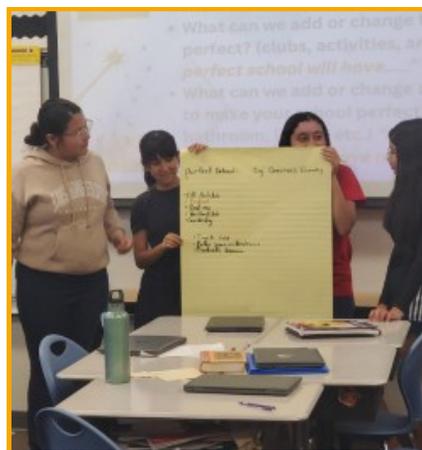

EL CENTRO ELEMENTARY SCHOOL DISTRICT

This month, our Community Schools On-Site Assistance Resource Center, led by Case Managers and Community Services Assistants, continued to support families by expanding access to vital resources. In collaboration with Project Food Box, families were able to apply for weekly food box deliveries directly to their homes—reinforcing our commitment to meeting the needs of parents, students, and staff through strong community connections.

Students also enjoyed a fun and engaging Pi Day celebration, featuring the unforgettable moment when our Case Manager and Principal were pied! In addition, Student Council members took part in a "Moonshot Goals: Our Perfect School" visioning activity, where they shared bold ideas and imagined new programs to help shape the future of their Community School.

Community School On-Site Assistance Resource Center

Welcome to the Community School On-Site Assistance Resource Center! Our center is dedicated to learning you will receive direct from a variety of trusted agencies all centered of meeting your basic needs and offering comprehensive support whether you require immediate assistance or guidance, our team is here to help you every step of the way. We are committed to ensuring you have access to the resources you need right off the school site.
