ELEMENTARY INSTRUMENTAL MUSIC PARENT INFORMATION NIGHT

Is your child interested in playing an instrument next year?? Current third graders in East Brunswick can sign up to play an instrument in their school's band or orchestra beginning in September of 2025.

If you would like to find out more about this opportunity, stop by Hammar skjold Upper Elementary School with your child on Monday, June 2nd from 5pm-7pm to visit our Instrument Petting Zoo!

Your child can look at and hold the various instruments and listen to demos by current instrumental students from HUES, CJHS and EBHS. Parents can also meet the band and orchestra teachers, the district music supervisor and our instrument rental vendors. Don't miss out on this great opportunity! See the attached flyer for more detailed information.

DEVICE INFO FOR 3RD/4TH GRADERS

As we approach the conclusion of the academic year, we would like to inform you about the end-of-year procedures for student devices. Specifically, regarding the return of devices for the graduating 4th-grade students who will be transitioning to a new building. It is important that these students return their assigned devices, along with all accompanying accessories, to their current building during the week of June 16th. Please ensure that both the device and its charger are included in the return. Any device not received by June 20th will result in a device fine of \$251.

For the remaining 2nd and 3rd graders, who will soon become our esteemed 3rd and 4th graders, they will have the opportunity to take their devices home at the end of the year. This will allow them to adequately prepare for the upcoming academic term and be fully equipped on the first day of school.

KINDERGARTEN SCREENING

Dear Incoming Kindergarten Parents,

We are very excited to welcome your child to Kindergarten in September. As part of the registration process, we would like to offer you an opportunity to have your child visit a kindergarten classroom in June. During this visit, students will engage in typical kindergarten classroom activities such as reading books, playing games and drawing. Various school staff will engage with your child so we can learn more about your child's kindergarten readiness. Kindergarten classroom visits will be held on June 4 only.

While your child is visiting Kindergarten, we ask that a parent remain at the school. While you are waiting for your child, you will have an opportunity to informally meet the principal and share some information about your child that you would like the school to know. All information gathered during this visit is intended to help the school best prepare to welcome your child to school in September.

Please call the Main Office (732-613-6830) in order to schedule a time for this screening visit. For security purposes, visits must be pre-scheduled and parent photo identification is required.

*Students already enrolled in the district's preschool or ELA program do not need to attend Kindergarten screening (screenings will be conducted during their school day).

Chittick PTA Fourth Grade Committee Class of 2026

Dear third grade (rising fourth grade) parents/guardians,

The fourth grade is an exciting year for our students. They will soon be the oldest children in our school and will be role models to the lower grades. There are a ton of special activities and events that our soon-to-be fourth graders will get to experience all in thanks to the amazing PTA Fourth Grade Committee Volunteers.

The committee works together to plan the end of year trip to Lakeview Camp, the Fourth Grade Social, and any other activities and/or treats for the students. The committee also sets the budget for these expenses and then works together to fundraise the means to make the magic happen.

Planning starts early to ensure that our students don't miss out on any of the fun stuff their predecessors got to experience. We hope that you consider helping to make your student's last year at Chittick the most special one of them all!

Please scan the QR code or go to the web address below and complete the form stating your interest in joining the committee. You will be contacted by the end of March to begin the discussions.

All volunteers must be a member of the Chittick PTA.

Thank you sincerely,
The Chittick PTA Executive Board
