Dear Northland Families,

For the 2025-2026 school year, Northland Community Schools will be providing ALL required school supplies for ALL students. This is in effort to reduce the cost of basic consumable student supplies. As a District, we are able to purchase certain supplies and materials at significantly reduced bulk-rate prices. This allows us to purchase a wider variety of materials and resources needed to provide a quality learning environment for our students. We will provide the standard classroom school supplies needed such as pencils, notebooks, erasers, glue, crayons, colored pencils, markers, scissors, paper, etc.

The estimated cost of the supplies is \$25 per student. If you would like to donate this amount to the school to help offset the cost, the donation will be used to support our students in a variety of ways. If you would also like to donate facial tissues or disinfecting wipes, it would be greatly appreciated.

Please still send your child(ren) with a full-size backpack, tennis shoes, and appropriate outdoor gear to school with them.

If you have any questions or concerns, please do not hesitate to contact us.
