

CISD Board of Trustees Special Workshop
President's Report
June 2, 2025

I want to take a moment to address the topic that has brought many members of our community together over the past several weeks.

As you know, the Board recently took no action on the contracts of two of our principals, Mr. Wilson and Ms. Benhoff. We understand this decision has prompted a strong and genuine response from many in our community. We have received numerous emails, phone calls, and personal messages, and many of you have taken the time to speak directly with trustees or share your thoughts during public comment at recent meetings.

Thank you. We appreciate the engagement, passion, and commitment you have shown for our district. While we may not be able to respond to every message personally, we have certainly tried. Please know we have heard you, and your voices matter.

As we have mentioned in previous communications, because this involves personnel matters, we are legally and ethically restricted from discussing the details of our “no action” decision. These boundaries are not only in place to protect the process but also to protect the privacy of all involved. We understand that this can be frustrating, and we ask for your understanding and continued trust in the integrity of this board and district leadership.

We also want to take this opportunity to recognize and thank Mr. Wilson and Ms. Benhoff for their service to Carroll ISD. Both have made a lasting impact on their campuses and in the lives of students and staff. We wish them all the best in their new roles.

As a board and as a district, we remain committed to excellence in leadership at every level. We have spent the past several years intentionally developing a strong bench of talent within our district leaders who understand our culture, our values, and our expectations. We are proud of the people we have been developing and confident in our ability to move forward with capable, passionate, and visionary individuals ready to step into these roles.

Thank you again for your ongoing support and for being a part of what makes Carroll ISD so special.
