

SCHOOL RULES AND REGULATIONS

- School Year 2025/2026 -

1. MISSION

If you are looking for German language classes with focus on a holistic, hands-on learning experience either for your child(ren) or yourself, you will find this at our beautiful and culturally rich school, located in a quiet residential neighborhood in White Plains.

We provide our students – starting with PreK-4 through high school, and adult learners - with a caring environment based on academic excellence and individual growth. Our students improve their German language skills while experiencing traditions and culture of all German speaking countries.

We encourage our students to take part in standardized exams providing formal proof of their language skills. Our students have the opportunity to take all levels of the National German exam, the Advanced Placement “AP German Language and Culture” exam, and last but not least the German standardized exams including the German Sprachdiplom DSD1 (level A2/B1) and DSD2 (level B2/C1). Particularly the German Sprachdiplom provides our students with a gateway to the European higher education system.

We are proud that we have been recognized as a Center of Excellence by the American Association of Teachers of German, listed as an official PASCH school by the Partner School Initiative of the German Federal Foreign Office, and are members of the American Association of Teachers of German and the German Language School Conference GLSC.

We believe that learning multiple languages is more important than ever in today’s global community. It is an important stepping-stone for deeper understanding and appreciation of other cultures. Thus, if you agree with Wilhelm von Humboldt, that “languages are the gateway to the world”, we encourage you to explore what the Language School at GISNY has to offer thanks to its high quality, yet affordable, small language classes, and our supportive, and stimulating learning environment.

10. STANDARDIZED TESTS, HONOR SOCIETY AND CONTESTS

IVA Internationale Vergleichsarbeit - Level A1 and A2

Both tests are designed for younger students and are an important step in preparing for the DSD examinations. The IVA exams test written and oral communication skills, as well as listening and reading comprehension. The IVA exams provide teachers, students and parents with excellent feedback on individual progress and areas of possible improvement.

DSD Deutsches Sprachdiplom - Level A2/B1 and B2/C1

Both tests are administered and corrected by the Deutsche Kultusministerkonferenz (Standing Conference of the Ministers of Education and Cultural Affairs in Germany). Only advanced students who exhibit high levels of mastery of spoken and written German, and with knowledge of the German culture, history, and literature will be able to take the DSDs. These examinations satisfy the German language requirement for matriculation at a German Studienkolleg (pre-university study) and at German universities, respectively.

NGE National German Exam - Level 1-4 and 2A-4A

The National German Exams are designed for high school students but students as young as sixth grade might take these exams at the Language School. Adults can also participate in the adult National German Exams. By doing so, students can measure their achievement on an American national standardized test. If results are at achievement or higher level, we encourage parents to report these results to their child's day schools for inclusion in the permanent school records.

AP Advanced Placement German Language and Culture

This is an exam provided by the College Board enhancing a students' admission portfolio for American colleges and universities. In addition, it may give a student a head start by allowing students to fulfill basic language competency requirements or testing out of introductory levels of German courses.

Delta Epsilon Phi is an honor society for high school students of German. To be eligible for induction, students must have completed three semesters of German with a 3.6 grade point average in German and have an overall GPA of 3.0 on a 4.0 scale. They must be at least 15 years old, score above 3 on the AP exam or pass the DSD 2 exam and fulfill a minimum of 30 volunteer hours at the Language School.

German Language students are encouraged to participate in various **language contests** provided by German or American organizations.

11. INCLEMENT WEATHER

In the event of inclement weather, classes will be held online. Students/parent(s) or legal guardian(s) will be informed via email.

12. REPORT CARDS AND RELEASE OF SCHOLASTIC RECORDS

Report cards are issued twice a year, in January and June. Grades are based on an evaluation of the student's performance in the areas of participation and written work in class, homework, attendance and achievement tests. The Language School at German International School New York will present report cards to those who successfully meet course requirements and maintain 75% attendance.

Scholastic records will be sent to individuals or institutions within the United States upon written request. A service fee of \$25.00 for official documents will be charged. However, DSD I and DSD II Diplomas need to be picked up in person.

13. FACILITIES

In the event the School would like to include the student's name along with a photograph, for example, to personally recognize the student on the School website for an achievement, written consent from the parent(s)/legal guardian(s) will be obtained in advance.

If parent(s)/legal guardian(s) do not consent to the use of photographs, please send an email to languageschool@gisny.org. Failure to exercise this option releases and discharges Language School at German International School New York from any and all claims arising out of the use of photographs or any right that the students/parent(s)/legal guardian(s) or minor may have. For that purpose, Language School students will receive a free library account. Students will be given a user ID and temporary password to use the online catalog ([LINK](#)) on their first visit.

Students are allowed to borrow two books at a time for a period of two weeks. Books should be returned to the yellow library cart at the Front Office. Students with overdue loans will not be allowed to check out new materials until the previously loaned items are returned.

Students/parent(s)/legal guardian(s) are responsible for the replacement costs of lost or damaged books. Such damage includes water/liquid damage, markings/drawings on the pages, torn/torn out pages, broken covers or spines and any other damage occurring while the book is checked out to the student. The replacement fee of \$35.00 will be charged for all books that are damaged beyond repair. If an overdue item or an unpaid lost fee is still outstanding at the start of the new school year, library loan privileges will be suspended until the fee has been settled or the books are returned.

Detailed information about library materials, policies, and procedures are also posted on the School's website [Language School - German International School New York](#).

Students/parent(s)/legal guardian(s) agree that this release includes personal injury or loss, theft or damage of personal property caused by or resulting from negligence, active or passive, of the Released Parties; however the release does not apply to liability for gross negligence, willful injury, or fraud, and is not intended to release the school's insurers, if any, or non-agent third parties of any responsibility for any claims that may otherwise be asserted. Students/parent(s)/legal guardian(s) agree to reimburse and indemnify the School and its agents for any costs and expenses incurred in providing for the student's return home as well as for other services related to the special or emergency needs of student. This indemnity includes claims arising from negligence (excluding gross negligence or intentionally wrongful conduct) of the Released Parties.

18. COMMUNICABLE DISEASE WAIVER AND RELEASE OF LIABILITY

Communicable diseases, including without limitation COVID-19, the flu, and RSV, are extremely contagious and are spread by person-to-person contact; and, as a result, may spread at a higher rate in community settings, such as schools. The School follows the protocols, policies and procedures designed by

the German International School New York to reduce the spread of communicable diseases. Students and their families are expected to adhere to these protocols in order to reduce the risks of contracting or spreading communicable diseases at the School.

Despite the measures in place to mitigate the risk of transmission of communicable diseases on campus, there are inherent risks that students and/or their families may become infected with one or more communicable diseases due to the Student's presence on campus. These risks include, but are not limited to, the following: exposure to a communicable disease, becoming infected with a communicable disease, or becoming a symptomatic or asymptomatic carrier of a communicable disease. Any person who contracts a communicable disease, including a student or their family member, may encounter medical care, hospitalization, other potential complications, and the risk of death. By allowing the student to come to campus for any reason, students/parent(s)/legal guardian(s) understand, acknowledge, and voluntarily assume these risks on behalf of themselves and their student.

Students/parent(s)/legal guardian(s) understand that the student's presence on campus creates the risk that parent(s)/legal guardian(s) and/or the student could be exposed and or contract a communicable disease. By signing this Contract, students/parent(s)/legal guardian(s) release the Released Parties, from all claims, liability and damages that parent(s)/legal guardian(s) or student may have for personal injuries, illnesses, medical expenses, theft or damage of personal property, or other loss resulting from student's presence on campus. Students/parent(s)/legal guardian(s) agree that this release includes personal injury, illness, medical expenses, or other losses caused by or resulting from negligence, active or passive, of the Released Parties; however, the release does not apply to liability for gross negligence, willful injury, or fraud, and is not intended to release any of the Released Parties' insurers, if any, or non-agent third parties of any responsibility for any claims that may otherwise be asserted.

19. STUDENT ALLERGY INFORMATION

It is the students'/parents'/legal guardians' responsibility to provide accurate medical information regarding any food or environmental allergies during the registration process. In addition, students/parent(s)/legal guardian(s) should provide information to the classroom teacher and the office on any procedures that are to be followed in case of an allergic reaction. The School does not employ a school nurse and medication for students cannot be held at the School for the duration of the school year.
