Superintendent Nelson shared that this is a non-voting item and an update was provided on the progress thus far with upcoming dates for community feedback and input on the Portrait of the Graduate.

➢ Purpose: To build a shared understanding of the Portrait of the Graduate process and outcomes.

➢ Participants: School Committee, district and school leaders, teachers, parents and guardians, community members.

➢ Outcome (Final Product): To identify 4-6 PreK-12 Core Competencies, aligned attributes and age appropriate "I can..."
statements.

What is the Portrait of the Graduate?

● A shared vision defining the knowledge, skills, and character traits students need for future success.
● Emphasizes competencies like critical thinking, communication, collaboration, and adaptability.
● Serves as a guiding framework for aligning teaching and learning, and college and career readiness.

Why It Is Important?

● Prepares students for a rapidly changing world with transferable life and career skills.
● Ensures that all students access meaningful, future-ready learning experiences.
● Aligns educators, families, and communities around a common, student-centered vision.

CENTRAL OFFICE ADMINISTRATOR'S REPORT
Superintendent Nelson highlighted the most recent Superintendent's newsletter.

PRINCIPAL'S REPORT
Superintendent Nelson provided Ms. Dessert's report as she was at Camp Burgess with students and invited the School Committee to the many upcoming school events in her report.

Dear Marion School Committee Members,
I am pleased to provide an update on recent and upcoming events at Sippican School.
Our students in Grades 3-6 recently completed the Math MCAS assessments. We were deeply impressed by their focus and effort throughout the testing period. Their dedication, coupled with the strong support from our families, created a positive and conducive testing environment. We commend our students for their hard work. Looking ahead, our sixth-grade students are embarking on an exciting adventure this week with their trip to Camp Burgess. This overnight experience offers a valuable opportunity for team building, experiential learning, and the creation of lasting memories outside the traditional classroom setting. We anticipate a positive and enriching experience for all involved. We continue to deeply value the partnership we have with our Sippican School families. Their ongoing support is integral to fostering the positive and engaging learning environment we strive to maintain. As we progress through the spring, we are enthusiastic about the many opportunities for student growth and learning that lie ahead.

Teaching and Learning:
Beyond the recent Math MCAS and upcoming 6th-grade trip, our teachers have been actively engaged in several key initiatives:
● Literacy Initiative: Work continues on our literacy enhancement efforts in collaboration with the Hill.
● Science & History: Grade 5 and 6 teachers recently participated in observations with Open SciEd and have upcoming training scheduled for Investigating History.
● Math Program Adoption: Teachers are currently working with the Assistant Superintendent and colleagues from each elementary school to identify a new math program for the district.

These ongoing professional endeavors demonstrate our staff's commitment to continuous improvement across all subject areas.

Following are the dates for MCAS this year:
Tuesday, April 29th - Grades 3 & 4 - MATH
Wednesday, April 30th - Grades 3 & 4 - MATH
Thursday, May 1st - Grades 5 & 6 - MATH
Friday, May 2nd - Grades 5 & 6 - MATH
Thursday, May 15th - Grade 5 - STE
Friday, May 16th - Grade 5 - STE

School Resource Officer Tracy & Norman Award:
Norman Award Recognition:
We continue to proudly recognize our students through the Norman Award. These students consistently exemplify the ***Sippican 3 to Be*** (Respectful, Responsible, and Kind) and are demonstrating positive progress in their academic endeavors. The Norman Award serves as a wonderful way to celebrate and encourage our model students.

V.A.S.E Updates and Events:

June 11th - Last day of school

Conclusion
Sippican School continues its focus on student success, with recent completion of Math MCAS testing demonstrating student effort and the upcoming 6th-grade trip to Camp Burgess offering valuable learning experiences. Our dedicated teachers are actively engaged in literacy initiatives with the Hill, professional development in science and history for grades 5/6, and a collaborative district-wide math program selection

process. We also proudly recognize our exemplary students through the Norman Award for embodying the Sippican 3 to Be and showing academic progress. We look forward to a strong finish to the school year, concluding on June 11th, and appreciate the ongoing support of the Marion School Committee and our families.
Best,
Lynn Dessert M. Ed

MARION SCHOOL COMMITTEE MEETING
MARION PUBLIC SCHOOLS
Marion, Massachusetts

March 25, 2025
REGULAR MEETING MINUTES
16 Spring Street, Marion, MA 02738

Regular meeting of the Marion School Committee was held on Tuesday, March 25, 2025 and called to order by Chairperson Nye, at 7:05pm.

SCHOOL COMMITTEE MEMBERS PRESENT: April Nye, Chairperson, Nichole Daniel, Nichole Nye McGaffey, Mary Beauregard and Michelle Smith (all in-person).

SCHOOL COMMITTEE MEMBERS ABSENT: None

OTHERS PRESENT: Michael S. Nelson, Superintendent of Schools; Sharlene Fedoworicz, Assistant Superintendent of Teaching and Learning; Howard Barber, Assistant Superintendent of Finance and Operations; Jaime Curley, Assistant Superintendent of Student Services; Lynn Dessert, Principal; Greg Thomas, Assistant Principal; Melissa Wilcox, Recording Secretary (all in- person); staff, parents, members of the press and public.

Chairperson Nye, stated in accordance with Massachusetts Open Meeting Law, the agenda has been set, the meeting is being recorded, and unless there are any emergencies that need to be added, the agenda will be followed as outlined. Chairperson Nye read the following statement: *This meeting will be conducted in a hybrid format. School Committee, Administrators and the public will have the option of meeting in person at the Community Room of the Sippican School located at 16 Spring Street, Marion, MA 02738 or via zoom.*

FY2026 SCHOOL CHOICE PULIC HEARING
That the School Committee review school choice for the 2025-2026 school year.
Superintendent Nelson welcomed the school committee and community members present. He explained that school choice participation is an annual requirement that must be completed by all districts in the State. He reviewed the school committee previously discussed school choice at the last meeting in preparation for this public hearing. If Marion elected to be a school choice district, the school committee may also set parameters on the amount of school choice students along with the grades they may be accepted into. The District would receive a reimbursement of $5,000 per student, which is a non-negotiable rate set by the State, and has been such for many years. He continued that there is also a reimbursement of 70-75% of special education expenses for school choice students. Historically, Marion has not participated in school choice.

There were no public comments. Chairperson Nye closed the public hearing at 7:09pm.

I. Approval of Minutes:

The Marion School District currently has $426,451 available of the general funds appropriated for the 2025 Fiscal Year. Per the attached Year to Date Budget Report by Department, we are able to identify how our funds are encumbered and expended. This report recognizes the activity of the total $7,080,780 appropriated to the Marion School District.
$ 7,080,780 - General Funds Approved

$ 6,654,329 – Obligations Paid or Encumbered Year to Date
$ 426,451 - Remaining Available Funds

2. Record of Warrant(s)
Superintendent Nelson shared the record of warrant(s) of January 29, February 12, 26, March 10 and 12, 2025 as signed by the sole signatory.

3. Food Service Report
Mr. Barber reported the following from Food Service Director Jill Henesey:

- Meal participation continues to grow strong
- Successfully completed the Foodservice DESE Procurement Audit.
- Had a successful Board of Health Inspection.
- Collaborated with MA Operational Services Division (OSD) and other MA Foodservice Directors to create a new statewide contract, specifically for the K-12 School Nutrition Products GRO42; launching the first part for fresh produce this month.
- Starting the process of procuring foods for the upcoming school year.
- Bulldog Café is looking for per diem (substitute) help. If you are looking for a flexible and rewarding part time job – this may be the opportunity for you. Contact Jill Henesey for more details.

4. Facilities Report
Mr. Barber reported the following from Facilities Director Eugene Jones:

- Completed Massachusetts School Building Authority (MSBA) as part of statewide review cycle.
- Completed fire sprinkler inspection/testing.
- Fire Marshall and Building Inspector completed yearly inspection.
- Stage 1 of digital radio communications integration completed.
- Conducted routine maintenance on all facility equipment and systems.

D. Personnel
Shari Pacheco was hired as the Principal's Administrative Assistant and Erica Lopez was hired as an Instructional Assistant. William Erickson has returned as a long-term substitute.

VI. CHAIRPERSON'S REPORT:
Chairperson Nye expressed her appreciation for everyone at the table for their work during this budget season. It has been one of the most stressful she has experienced in eight years on the school committee and she knows everyone is feeling the same. She thanked Ms. Dessert, Mr. Thomas, the Select Board, Mr. Burr, Mr. Gorman and Ms. O'Brien for their collaboration as well. She advocated to the school community to go to Town Meeting in May and show their support the operating budget along with the separate article for Math curriculum and special education expenses.

CENTRAL OFFICE ADMINISTRATOR'S REPORT
Superintendent Nelson highlighted the most recent Superintendent's newsletter is in their backup information and the March version is coming out this week.

Dr. Fedorowicz reported the following: *The new math committee, consisting of approximately 25 general and special education teachers with K-6 representation from each district and grade level met at the end of January to vet 3 out of 10 potential HQIM to pilot this spring. The initial 10 math programs were selected from Curate and/or Edreports. Over the December break, I was able to work with vendors to get material samples for each grade level for teachers to review. With the assistance of Looney Math Consultants using a rubric, the Math Committee narrowed it down to three HQIM, which were Reveal Math by HMH, Envisions by Savvas, and Illustrative Math by Imagine Learning. All high quality materials. Then, each individual grade level collaborated with Looney consultants to review the programs by grade level and select units to pilot based on where they were at in their scope and sequence to provide a seamless pilot for students. Teachers are currently piloting and will be completing the pilot and filling out the rubric at the beginning of April to select a new HQIM math program. Stay tuned! New teachers met today and we had some activities and collaborated on having better conversations and communications with students, peers and families in order to build relationships and make connections.*

At the most recent professional development day, we continued with the Science of Reading in Literacy. The math teachers were able to meet and collaborate with each other on the new math programs, and of course we had OpenSciEd and Investigating History. Health and PE continued working on the crosswalk document and we will be

meeting soon to review the findings. The purpose is to help us recognize and navigate what specifically has changed, been removed or added.

FORM Concerts were amazing! Our students are so talented and it is wonderful to have such a large group of students with an interest in music. Our teachers did a phenomenal job with our students yet again this year.

Marion has their last Learning Walk next Tuesday which will be the last one of the year. We will use this data as an administrative tool to discuss PD and steps for teaching and learning next year.

Dr. Curley shared: *We are happy to partner with SMEC again this year to present the Community Talks on 3/24 at 6:30pm via zoom (new IEP for parents) with a representative from Mr. Allan Blume's company. Our Bullying and Harassment Prevention and Intervention Plan has been updated. We would like to extend our gratitude to parents, guardians, local law enforcement, and community members for their contributions through School Council meetings, the Open Forum, and feedback provided through the link shared in newsletters and on the District website. Fly Five is a companion program for Responsive Classroom which supports academic and behavioral outcomes. Ambassadors have been chosen at each building to pilot the program for this year. Thank you to them! They have completed their onboarding and a parent information session will be held on April 14 where an overview of the program will be presented along with a sample lesson and materials available for review.*

PRINCIPAL'S REPORT

Principal Dessert shared:

Sippican School Community Update:

The past month at Sippican School has been filled with vibrant learning and strong community involvement. The Boosterthon "Castle Quest" not only generated excitement with "Nate the Great" leading character-building activities, but also successfully reached its $20,000 fundraising goal. The Fun Run grand finale was a resounding success, encouraging spirited community participation, and featured a Boosterthon spirit week with themes like neon day, white out, rhyme without reason, and school spirit day, culminating in a hilarious lip sync concert by Principal Dessert, Assistant Principal Thomas, SRO Officer Tracy, and Norman.

In addition to the month's highlights, Sippican students actively showcased their artistic talents during two consecutive weeks of FORM Concerts. Furthermore, Marion teacher Mrs. Furfey, a sixth-grade teacher, was named Fun 107 Teacher of the Month, congratulations to her. The Sippican Chorus and Sippican Instrumental Nights at Old Rochester Regional High School gave Sippican singers and talented 5th and 6th-grade instrumentalists a platform to shine, highlighting the district's exceptional musical abilities.

These activities truly embody Sippican School's dedication to creating a community that cherishes learning, growth, and fun. The Boosterthon's success, the character-building initiatives, and the impressive FORM Concerts demonstrate the school's commitment to providing a well-rounded and enriching educational experience. The school deeply appreciates the continued support from families and friends, which is vital in making Sippican such a special and thriving environment for its students.

Welcome new staff Shari Pacheco and Erica Lopez.

Conclusion
In summary, the recent activities at Sippican School highlight a commitment to fostering a well-rounded educational environment that values academic achievement, community engagement, and artistic expression. The success of the Boosterthon, the inspiring performances at the FORM Concerts, and the recognition of Mrs. Furfey as Teacher of the Month all underscore the school's dedication to creating a vibrant and supportive community (Michael Rock, 2025). With the continued support of families, friends, and community members, Sippican School is poised to continue its tradition of providing exceptional experiences and fostering a love of learning in its students.

X. OPEN COMMENTS

Chairperson Nye stated:

Public comment is governed by approved school committee policy. Per the committee's policy we will offer up to 30 minutes for public comments this evening. Public comment is not a discussion, debate, or dialogue between individuals and the school committee. However, the committee takes any public comment made seriously and appreciates hearing from the public. Anyone looking to provide a public comment must be acknowledged by the Chairperson before addressing the committee. Those making a public comment will have up to three minutes to address the committee and must start their comment by stating their name and the town they reside in. For those in person there is a sign in sheet for those looking to make a public comment located on side wall and those on zoom, you can send a message in the chat with your name and the town you reside in. The chairperson will alternate between in-person and zoom participants. The school committee reserve the right to address any comment that present incorrect information at our next meeting.

There were no public comments.

RECOGNITION

Recommendation:

That the School Committee welcome new Principal's Administrative Assistant, Shari Pacheco and recognize Mr. Toby Burr for his many years of support to Sippican School as a Select Board Member.

The administration and school committee welcomed Ms. Pacheco and recognized Mr. Burr ahead of the budget hearing. Chairperson Nye shared they are forever grateful of his support and he will be greatly missed.

FY26 Budget Public Hearing

Chairperson Nye opened the Budget Public Hearing at 6:08pm.
Superintendent Nelson thanked Chairperson Nye and Ms. Nye McGaffey for serving on the Budget Subcommittee and participating in the budget process. He extended his appreciation to the administration and staff for their efforts during this budget season as well. He reminded those present that Marion School District continues to be in 'hold harmless' status as does over 200 out of about 300 districts in the State. This means that the district is receiving the minimum state aid based off the current Chapter 70 formula and the limited revenue streams are not keeping up with the rise in the cost of doing business for the school. He shared that main budget drivers are special education out-of-district tuition and transportation, salary obligations and utilities. Tonight, he believes the district is presenting a proposed budget that is as fiscally and programmatically responsible.

Mr. Barber thanked the Sippican school staff and administration for their collaboration during this budget season. He also thanked the leadership team, along with the Town Administrator, Finance Committee and the Select Board. Mr. Barber began his presentation reviewing the vision of the districts:

- Is dedicated to creating a safe and nurturing learning environment that offers inclusive and engaging educational experiences.
- Through collaborative relationships with our school community members, we strive to foster a respectful culture that prioritizes academic excellence and social emotional readiness.
- Our primary objective is to provide every student with the necessary skills and developed mindset to embrace future opportunities and become responsible, lifelong learners and contributing global citizens.

Next, he reviewed the core values of the districts:
THINK:

Cultivate a culture of academic rigor and integrity, which encourages critical thinking, creative thinking, collaboration and effective communication.
LEARN:
Strive for academic excellence in educating the whole child through authentic, rigorous and evidence-based learning opportunities that foster real world application and a continuous pursuit of learning.
CARE:
Ensure a caring and safe environment for all school community members by promoting a sense of belonging and respect for all.

Mr. Barber explained the budget priorities:

- Ensuring High Expectations of Teaching and Learning for All Students
- Efficiency and Cost-Effectiveness Measures
- Strategic Staffing and Professional Development
- Data-Driven Decision-Making

Next, Mr. Barber explained the budget development process that mainly takes place October through May.

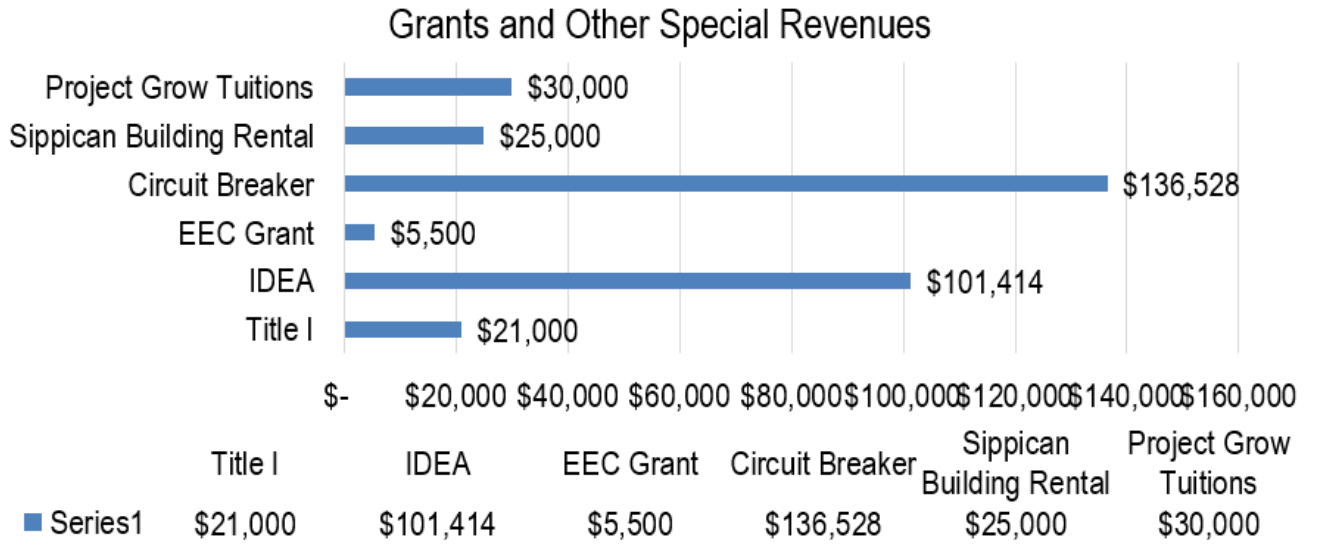

- Preparation and Planning:
  - Superintendent, school administrators and other stakeholders analyze past budgets, assess current financial status and set budgetary goals for the upcoming fiscal year.
- Budget Proposal Creation:
  - Based on the planning stage, a preliminary budget proposal is developed. This proposal outlines anticipated revenues, expenditures and allocations for different programs and departments.
  - The budget proposal may include funding for personnel salaries, benefits, instructional materials, technology, facilities maintenance, transportation and other operational costs.
- Budget Review and Revision:
  - The preliminary budget proposal(s) undergoes a thorough review by school administrators and budget subcommittee.
  - Adjustments and revisions are made based on feedback, financial constraints and any changes in priorities or mandates.
- Input and Hearings:
  - Superintendent holds meetings where the school's Budget Subcommittee, Town Administrator and Town Representatives can provide input, ask questions and provide feedback about the budget proposal.
  - Feedback from the attendees may influence further revisions to the budget.
- School Committee Budget Approval:
  - After incorporating feedback and making necessary adjustments, the final Superintendent's Budget proposal is presented to the School Committee and community at a Budget Public Hearing for approval.
  - The School Committee reviews the budget, conducts discussions and may vote to approve or make additional changes before finalizing the budget.
- Final Budget Approval:
  - Once the budget is approved by the School Committee, the School Committee's Proposed Budget is presented at the Annual Town Meeting.
  - The Superintendent or designated representative attends the Annual Town Meeting to offer any additional information in support of the School Committee's Proposed Budget.

Mr. Barber reviewed next the financial overview of the budget, which is broken into two sections; grants and other special revenues, and general funds. Grants and other special revenues are alternative funding used to supplement and reduce necessary general funds. Below shows Sippican School offsets along with the departments supplemented by alternate funding.

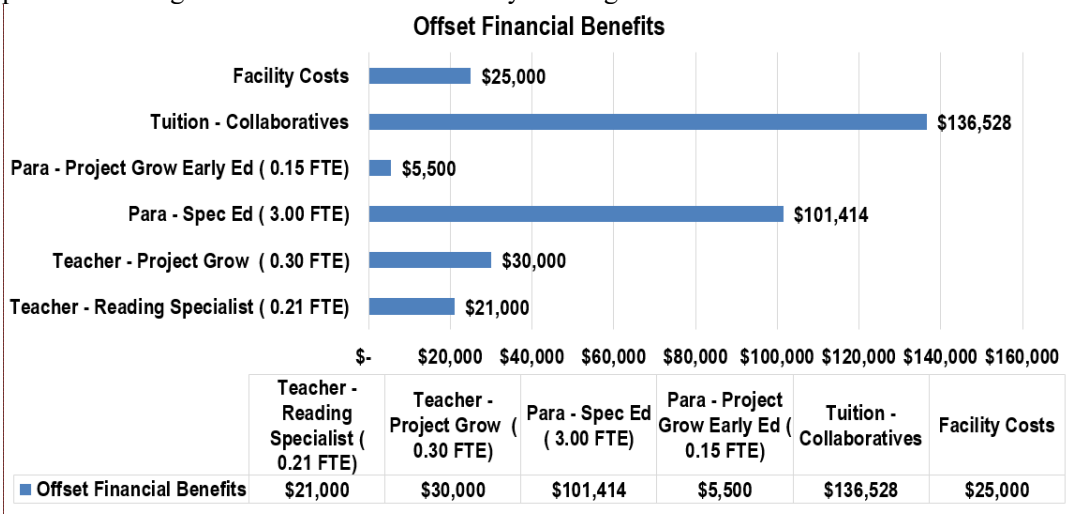

Marion Public Schools
Superintendent's Proposed Budget
for June 30, 2026

Building or Department	Funding Offsets
Sippican School	$ 157,914
Student Services	$ 136,528
Facilities	$ 25,000
Total FY26 Proposed Budget	**$ 319,442**

Mr. Barber explained this graph, which shows where this funding comes from.

He then explained the usage of the funds as illustrated by the diagram below.

Next, Mr. Barber reviewed general funds, which is the main source of funding for academics, student services, facilities, technology and transportation. The main budgetary groups are shown below.

Mr. Barber explained the main changes to the FY26 proposed budget.

Building/ Department	Fiscal Year 2026	Fiscal Year 2025	Department Changes	Notes
Sippican	$ 4,904,657	$ 4,727,449	$ 177,208	Staff Reduction - Net 1 FTE, Union Contracts
Central Office	$ 233,709	$ 217,173	$ 16,536	Immaterial - No Changes
Student Services	$ 1,048,577	$ 801,678	$ 246,899	Tuition Placement Costs
Transportation	$ 720,582	$ 719,414	$ 1,168	Immaterial - No Changes
Technology	$ 110,435	$ 108,336	$ 2,099	Immaterial - No Changes
Facilities	$ 535,589	$ 506,730	$ 28,859	Contractual Costs
Total Marion Budget	**$ 7,553,549**	**$ 7,080,780**	**$ 472,769**	**6.68%**

Next, Mr. Barber discussed the main reasons of adjustments. In building based expenses, union compensation including the reduction of 2.0 FTE elementary teacher(s) with an estimated $120,000 decrease and the 1.0 FTE increase of a special education teacher with an estimated a $72,000 increase accounted for the majority of the changes. In academics and professional development, a $5,000 decrease was reflected in literacy core program and development line items. For student services, placement program changes and increased enrollment in these programs accounted for an estimated $243,000 increase. In facilities, electricity and gas costs and an increase in contract expenses for custodial services net an increase of about $19,000. Lastly, in transportation, the second year of the three-year bus contract accounted for $39,000 increase in regular day transportation and an additional $37,000 increase due to placement and route changes for special needs transportation.

Mr. Barber then reviewed the Governor's proposed FY26, which has a state Chapter 70 aid increase of $27,900 or 2.3% above Fiscal Year 2024.

Comparison to FY25

	FY25	FY26	Change	Pct Chg
Enrollment	388	372	-16	-4.12%
Foundation budget	5,105,842	5,064,173	-41,669	-0.82%
Required district contribution	3,952,749	4,004,960	52,211	1.32%
Chapter 70 aid	**1,195,102**	**1,223,002**	27,900	2.33%
Required net school spending (NSS)	5,147,851	5,227,962	80,111	1.56%
Target aid share	17.50%	17.50%		
C70 % of foundation	23.41%	24.15%		
Required NSS % of foundation	100.82%	103.23%		

Mr. Barber concluded with the following proposed budget.

Fiscal Year 2026 Proposed Budget	$ 7,553,549
Fiscal Year 2025 Approved Budget	$ 7,080,780
Net Increase:	$ 472,769
Net Percentage Increase	6.68%

Superintendent Nelson concluded the presentation stating the increase is 6.6% but also additional items of $70,000 as a separate line item at Town Meeting for a three-year license for new Math curriculum along with an additional $150,000 in a separate line item to supplement special education expenses if needed.

School Committee Feedback:
Chairperson Nye thanked Superintendent Nelson, Mr. Barber and the building leadership for their hard work during a difficult budget season.
Ms. Daniel inquired about special education expenses and if the placements have similar costs. Superintendent Nelson explained they do not. They range anywhere form $60,000 to $350,000 based on the restrictiveness of the program. He added that the district has no option to negotiate on these expenses as they are mandated by the State. The district looks at every option including cost sharing expenses with other districts sometimes in situations where available. For example, transportation to a facility may be shared if the route can incorporate a student from another district. He stated that the majority of students are educated at Sippican.

Chairperson Nye opened the hearing up to any public comments/feedback in-person or via zoom. There were no public comments. Chairperson Nye closed the Budget Public Hearing at 6:56pm.

IV. General
A. Approval of FY26 Budget

For Series Specific Titles: For Publisher Specific Titles: Reviews available and posted here School Library Journal (12/01/2024): Gr 1-3--This book takes on the warm, inspiring story of Nellie the sea turtle and the hesitancy everyone feels, especially children, before getting the courage to leap. When Nellie hatches, she finds herself on a beach surrounded by many of her siblings. While the others eagerly dash into the ocean, Nellie pauses. The ocean is loud, vast, and unfamiliar, and Nellie feels safer on dry land. When night falls and the beach becomes cold, Nellie realizes that beyond the intimidating waves lies a whole world waiting for her to explore. All she has to do is take a leap into the water. The telling is solidly inviting, deceptively simple, as Doerr-feld captures the vivid details, full of charm and warmth, through seaside illustrations perfect for this turtle journey. VERDICT A lovely tale of finding courage when embracing new adventures, just right for the early elementary shelves.--*Susan McClellan*

Title and Author of Book:	*Monarch Butterflies* by Ann Hobie
Professional Reviews Available: *If no professional reviews are available, the rubric below may not be applicable.	For Series Specific Titles: For Publisher Specific Titles: Reviews available and posted here School Library Journal (04/01/2021): Gr 1-5--Nonfiction units are an important part of the elementary school curriculum, and butterflies are certainly in the top five perennial subjects. Hobbie's title ticks off all the boxes. The text is beautifully illustrated and packed with fascinating facts. A wide variety of topics is detailed. For example, caterpillars have terrible eyesight, but butterflies have excellent vision. Readers will be amazed to learn, "The caterpillar will grow to 2,000 times its original size!" Close-up diagrams of the caterpillar, chrysalis, and butterfly introduce new words such as spiracles, hemolymph, and frass (caterpillar poop). Migration, lifespan, food, and predators are also explained. A final section discusses how children can help monarchs and grow their own, cautioning against ordering kits online. Colorful pictures of insects, wildlife, milkweed varieties, and other alluring blooms illuminate the text. A table of contents, an index, a glossary, labeled diagrams, maps, sidebars, and further resources are included. VERDICT This informative and striking butterfly book is a worthy addition to all collections.--*Barbara Auerbach, Cairo P.L., NY* Booklist (03/26/2021): Grades 1-3 This simple, matter-of-fact account of the monarch butterfly's life cycle and annual migration is distinguished by Barmert's visually appealing, precisely detailed illustrations. Notable here, too, are Hobbie's sensible suggestions that young naturalists devote their energies to observing local butterflies and planting wildflower patches rather than trying to raise mail-order insects or species of milkweed that may not be native to their areas. Having made those points, though, the author does provide instructions for raising a found caterpillar in a jar and safely releasing the mature insect. She also provides leads to curriculum guides, more information about nurturing the butterflies, notes on how to track their migration, and even some facts about conservation efforts in Mexico and Day of the Dead customs. The well-labeled illustrations help break down even the more complicated concepts for younger readers and introduce creatures that share the monarch's habitat. A fresh introduction to a common and colorful backyard visitor. COPYRIGHT(2021) Booklist, ALL RIGHTS RESERVED.

Title and Author of Book:	*How Ships Work* by Clive Gifford
Professional Reviews Available: *If no professional reviews are available, the rubric below may not be applicable.	For Series Specific Titles: For Publisher Specific Titles: Reviews available and posted here Coming about! From dinghies to freight liners, pirate ships to submarines, across oceans and up rivers, set sail on a fascinating journey through the world of ships in this new book from illustrator James Gulliver Hancock. In this companion to *How Airports Work* and *How Trains Work*, young readers travel through history and around the world to find out everything they ever wanted to know about ships. Lift the flaps to unfurl papyrus sails on an Ancient Egyptian ship sailing up the Nile, tour a historic Spanish galleon, zoom across the water at almost 320 miles per hour in a speedboat, and much more. See how ships stay afloat, cultivate wind power, and navigate using the stars . Learn all about how the first simple boats carved out of tree trunks evolved into the giant super yachts and cruise liners of today, and take a look at the limitless possibilities of the ships of the future. *How Ships Work* is jam-packed with amazing facts and awesome illustrations, and was created in consultation with the National Maritime Museum, UK. - Publisher's Weekly

Sippican School Library

End of Year Review - 2025

From: Jessica Barrett, Library Teacher
To: Lynn Dessert, Principal, and the Marion School Committee
Date: April 29, 2025
Re: Materials Being Withdrawn from the Sippican School Library

Lynn,

Please find attached a list of materials being withdrawn from the library's collection. Most titles being removed were in advanced stages of disrepair, significantly out-of-date, the remaining DVDs in the collection, or part of the "professional resources" that the library had been housing for the past 40+ years that had become obsolete. I am proud to share that as of today we have only had three books that were damaged while checked out by students this school year. That is historically very low! Additionally, removing the final DVDs and outdated professional resources made space for more book display areas.

Please note the following statistics:

- **18,363** - Number of items in our library collection
- **13,240** - Number of items checked out this school year (with three more weeks to go!)
- **2003** - Average year of publication for our collection
- **657** - Number of titles being weeded this year
- **496** - Number of titles added to our collection this school year (an increase of 135 from last year)
- **168** - Number of times that *The Encyclopedia of the Dog* by Dr. Bruce Fogle was checked out before it completely fell apart.
- **41** - Number of times that *Diary of a Wimpy Kid: The Meltdown* by Jeff Kinney was checked out this year, followed closely by *Dog Man: The Scarlet Shedder* by Dav Pilkey at 39 checkouts.

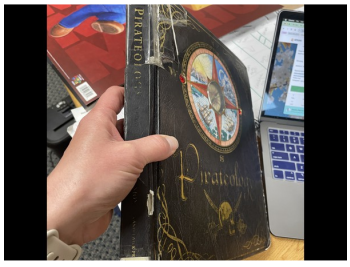

If you have any questions or would like further clarification, please let me know. It is a pleasure to teach at Sippican School!

Sincerely,

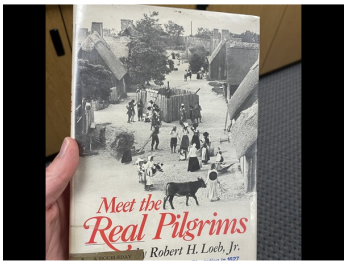

Jessica C. Barrett

Portrait of the Graduate

- **Purpose:** To build a shared understanding of the Portrait of the Graduate process and outcomes.
- **Participants:** School Committee, district and school leaders, teachers, parents and guardians, community members.
- **Outcome (Final Product):** To identify 4-6 PreK-12 Core Competencies, aligned attributes and age appropriate "I can…" statements.

What is the Portrait of the Graduate?

- A shared vision defining the knowledge, skills, and character traits students need for future success.
- Emphasizes competencies like critical thinking, communication, collaboration, and adaptability.
- Serves as a guiding framework for aligning teaching and learning, and college and career readiness.

Why It Is Important?

- Prepares students for a rapidly changing world with transferable life and career skills.
- Ensures that all students access meaningful, future-ready learning experiences.
- Aligns educators, families, and communities around a common, student-centered vision.

Superintendent's Newsletter

April 2025

Message of the Month

Dear School Community,

With less than 30 school days remaining in the school year, our classrooms are nearing the end of their journeys together. There are many fun and important events and activities that will occur to bring closure to the school year.

I hope that our parents and guardians join us in celebrating the final weeks of the school year by participating in these events that will showcase all the learning that has happened during the past school year and the relationships that have been built.

As always, I am proud to serve as your Superintendent of Schools.

Respectfully,
Michael S. Nelson
Superintendent of Schools

Congratulations to our ORRHS National Honor Society Inductees:
On Thursday evening, April 17th, in the ORR Auditorium, amongst parents, family, friends, and the school community, twenty-five of Old Rochester Regional High Schools best and brightest were inducted into the National Honor Society (NHS).

ORR English Language Arts educators and National Honor Society co-advisors Randy Allain and Kathleen Brunelle spoke about the symbols of membership: Knowledge, Scholarship, Service, Leadership, and Character. Former English Language Arts educator at the Old Rochester Regional High School, Dr. Megan Hall was the guest speaker. It was extraordinary to watch students take the National Honor Society Oath and be inducted by current members of the ORR National Honor Society.

Credit for Life Fair:
Congratulations to Mr. Devoll, Ms. Millette and high school staff for their work in holding the Credit for Life Fair at the High School this past month. A special thank you to businesses that came to support our students in learning financial literacy through real life examples. An amazing learning experience for our students to be prepared for life after high school.

The Drowsy Chaperone Performance:
On Sunday, April 12th, I was able to attend our high school drama students who had an amazing performance in the musical “the Drowsy Chaperone”. Our extremely talented students were able to bring laughter to the audience while singing and dancing through the show. The musical was very interactive with the audience and so many people were laughing. From tap dancing to solo and group skits, our students had a seamless performance and I along with the audience thoroughly enjoyed it. Congratulations to all!

Exciting Literacy Night at Sippican Elementary!
During Sippican Elementary’s recent Skip the Screen Week, I joined elementary students for a special read-aloud of *Creepy Carrots!* by Aaron Reynolds, illustrated by Peter Brown, at Literacy

Night. The event brought students, families, and educators together to celebrate the joy of reading. The evening also featured engaging activities and a Book Fair, creating a lively atmosphere as students moved between spaces.
This year's Literacy Night theme was "Bluey," encouraging participants to choose books that fit the theme or ones they simply loved to share. The event showcased the school's commitment to fostering a love of reading among students. A special thank you to our principals and our teacher volunteers that made this night possible for our students and families.

Sincerely,
Shari Fedorowicz

Integrated Monitor Review

The Department of Elementary and Secondary Education's Office of Public School Monitoring (PSM) will conduct an Integrated Monitoring Review of Old Rochester Regional School District & Massachusetts Superintendency Union #55 during the week of May 12, 2025. Each school district, charter school, vocational school, and virtual school undergoes an Integrated Monitoring Review every three years. This review addresses special education teacher and related service personnel licensure and professional development; parent, student, and community engagement, including compliance with Child Find requirements; facilities and classroom observations; implementation

and oversight of Individualized Education Programs (IEPs); time and learning, and equal access. Please read this letter for more information.
If you have any questions, please contact Jaime Curley at jaimecurley@oldrochester.org or 508-758-2772, ext 1942.

Volunteers Needed: District Wellness Committee

We are looking for volunteers from our school community to serve on the District Wellness Committee. Please complete this form by May 9th if you are interested!

Kindergarten Registration Open

Kindergarten registration is currently available for next school year! All Marion, Mattapoisett, and Rochester children who will reach the age of 5 before Sept. 1, 2025, are eligible to register to attend kindergarten at the elementary school in the town they reside in for the 2025-2026 school year. Still need to register? Click here to learn more.

Project Grow Preschool Registration Open

All schools across the district are accepting Project GROW applications for the 2025-2026 school year. Project GROW offers high quality preschool education to Marion, Mattapoisett and Rochester children ages 3-5 years old, including children with special needs. If you are interested in learning more about Project GROW, please refer to the Early Childhood Website. The link to the Project GROW application is here.

Advertising Opportunity at ORR Campus

Thank you to the companies that have already supported ORR Athletics! The signs are up, but a few spots are still available. This opportunity allows businesses to advertise in visible locations on our campus while directly supporting our Bulldog Athletic Program. Please contact Athletic Director, Chris Carrig at chriscarrig@oldrochester.org or 508-758-3745 ext. 1825 to advertise.

Immigration and Customs Enforcement (ICE) and Student Privacy in Schools

Our school community is committed to creating a welcoming and inclusive environment for all students regardless of their immigration status, the status of their family members, or any other measurable demographic. We are here to inspire all students to think, to learn, and to care.

Our school-system is fully compliant and supports Chapter 622 of the 1971 Massachusetts Legislative Acts, which prohibits discrimination in public school admissions and programs. The law reads as follows:

“No child shall be excluded from or discriminated against in admission to a public school of any town, or in obtaining the advantages, privileges and course of study of such public school on account of race, color, creed, religion, ancestry, national origin, sex, gender identity or expression, sexual orientation, marital status, genetic information, disability, pregnancy or a related condition, veteran status, age, or homelessness.”

The Massachusetts Office of the Attorney General has provided specific guidance and an informational flyer on ensuring equal access to education, ICE agent activity at schools and requests for information, protecting students and their information, and what to do if a student’s parents or guardians are detained. Our administrative team has received training on how to follow this guidance.

If you have any questions, please reach out to the Superintendent's Office.

In the School Community

Our Mission Statement:

The mission of our school district is to inspire all students to think, learn, and care. Sippican School is committed to fostering a respectful, responsible, and kind learning environment. We've launched the "3 to Be" initiative to remind our community of these important values.

"Sippican 3 to Be"
Be Respectful
Be Responsible
Be Kind

Sippican School Community Update:

Dear Marion School Committee Members,

I am pleased to provide an update on recent and upcoming events at Sippican School.

Our students in Grades 3-6 recently completed the Math MCAS assessments. We were deeply impressed by their focus and effort throughout the testing period. Their dedication, coupled with the strong support from our families, created a positive and conducive testing environment. We commend our students for their hard work.

Looking ahead, our sixth-grade students are embarking on an exciting adventure this week with their trip to Camp Burgess. This overnight experience offers a valuable opportunity for team building, experiential learning, and the creation of lasting memories outside the traditional classroom setting. We anticipate a positive and enriching experience for all involved.

We continue to deeply value the partnership we have with our Sippican School families. Their ongoing support is integral to fostering the positive and engaging learning environment we strive to maintain.

As we progress through the spring, we are enthusiastic about the many opportunities for student growth and learning that lie ahead.

Teaching and Learning:

Beyond the recent Math MCAS and upcoming 6th-grade trip, our teachers have been actively engaged in several key initiatives:

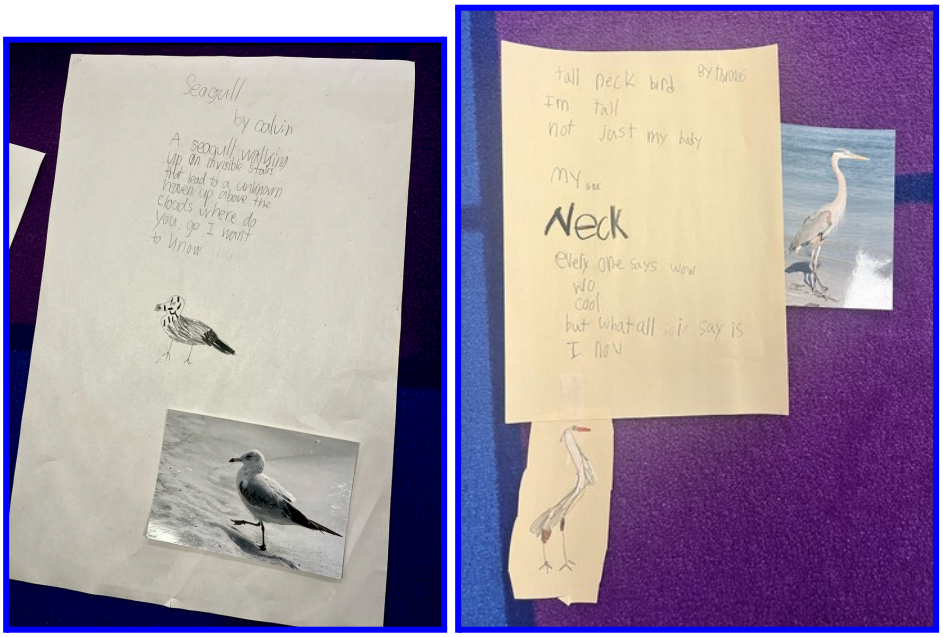

- Literacy Initiative: Work continues on our literacy enhancement efforts in collaboration with the Hill.
- Science & History: Grade 5 and 6 teachers recently participated in observations with Open SciEd and have upcoming training scheduled for Investigating History.
- Math Program Adoption: Teachers are currently working with the Assistant Superintendent and colleagues from each elementary school to identify a new math program for the district.

These ongoing professional endeavors demonstrate our staff's commitment to continuous improvement across all subject areas.

Conclusion

Sippican School continues its focus on student success, with recent completion of Math MCAS testing demonstrating student effort and the upcoming 6th-grade trip to Camp Burgess offering valuable learning experiences. Our dedicated teachers are actively engaged in literacy initiatives with the Hill, professional development in science and history for grades 5/6, and a collaborative district-wide math program selection process.

We also proudly recognize our exemplary students through the Norman Award for embodying the Sippican 3 to Be and showing academic progress. We look forward to a strong finish to the school year, concluding on June 11th, and appreciate the ongoing support of the Marion School Committee and our families.
