

CISD

POINTS OF PRIDE

FINE ARTS

The Crowley ISD Jingle Jam kicks off on Wednesday, December 18, from 6–8 PM at the Bill R. Johnson CTE Center. This will be the biggest holiday event of the season, featuring over 30 live performances throughout the building. You won’t want to miss the faux snow, hot cocoa, tree lighting ceremony, cookie decorating, caroling, face painting, and pictures with the Grinch! Be sure to bring a cozy blanket to enjoy the festivities in the courtyard, weather permitting. Our fine arts department will also be joined by singers from the Jubilee Theater and other performers. Don’t miss the CISD Jingle Jam—it’s going to be amazing!

HF STEVENS MIDDLE SCHOOL

Friday, December 13, will be a night of family, fun, and food at HF Stevens Middle School! We are excited to welcome families from 5 PM to 7 PM for a free dinner and plenty of prizes. We can’t wait to see you there for this awesome event!

SH CROWLEY ELEMENTARY

On December 2, SH Crowley celebrated National Special Education Day by honoring their phenomenal special education team. We join them in recognizing these passionate educators who make a difference across our district. Crowley Pride... Unified!

SYCAMORE ELEMENTARY

Sycamore Elementary’s 2nd-grade GATE students had an unforgettable experience at Timberview Farms with Mrs. Weaver and Mrs. Saleh on Friday, December 6. The students dove into the wonders of science through hands-on activities aligned with their TEKS. They explored aquaponics and hydroponic gardening, examined animal characteristics, and even had the chance to hold and interact with farm animals. A heartfelt thank you to Timberview Farms for providing such an engaging and educational experience! Your unique blend of farming and science brought learning to life, and we truly appreciate you!

Crowley Independent School District

DALLAS PARK

The Dallas Park Run Club, led by Coach Cates, invites everyone to join them at the Cowtown Kids 5K! The deadline to register is December 13, and we’d love to see Crowley ISD well represented. Let’s get healthy together and keep the main thing the main thing in 2025.

YOUTH ENGAGEMENT SUMMIT

The Crowley ISD Youth Engagement Summit was a transformative two-day event held on Thursday, December 5, and Saturday, December 7. CISD students collaborated with local leaders to address the root causes of violence and foster a culture of peace. A heartfelt thank you to the United Way, One Second Collaborative, the City of Fort Worth, Fort Worth PD, the Tarrant County Public Health Department, Bishop Rodney McIntosh, our moderator Kristen Geez, and all the dedicated volunteers and staff who made this impactful event possible.

HEALTH SERVICES

The CISD Be Well newsletter is a shining example of how Crowley Health Services goes above and beyond to support our staff—not just during the holiday season, but all year long. Filled with valuable information on mammograms, prostate cancer screenings, holiday self-care, our Employee Assistance Program, and other mental health resources, the Be Well newsletter serves as a trusted guide to keeping our team healthy, happy, and thriving. Thank you to Mrs. VanCampen and all our district nurses who are helping us to stay healthy this holiday season.
