# Athletics

We have a professional team of coaches who work tirelessly with our student-athletes to make them good athletes and positive role models for our society. Everett Alvarez High School has signed on with this a part of the California Interscholastic Federation (CIF) as a school that is committed to good sportsmanship and high moral values. We believe in essential elements of character building (Character Counts) and the six pillars of caring, fairness, citizenship, respect, responsibility, and trustworthiness. Good sportsmanship is the corner stone cornerstone of what we teach our student-athletes.

## **Sportsmanship:**

Is winning graciously and losing without complaint.

Combines positive, spirited support of one's school.

Is treating opponents and officials with generosity, fairness, courtesy, and most importantly respect.

Is the responsibility of everyone involved in athletic contests; players, coaches, officials, cheerleaders, students, parents, and spectators.

While every game is important to our student-athletes, we all need to remember that it is just that: a game

All schools are CLOSED CAMPUSES during the entire school day. A student must receive a *Permit to leave* at any time during the school day from the Attendance Office or the absence may be marked invalid.

Clearing Absences:

- Parent or Guardian to contact attendance office to verify absence.
- If you are going to leave campus during the day a note from your parents must be turned in to the attendance office first thing in the morning and a pass will be issued.
- Excessive excused absences may require a parent conference.

## Avid

- AVID stands for Advancement Via Individual Determination. A national program that supports all students in their academic endeavors.
- It is an in-school academic elective support program that prepares students for college eligibility and career planning from grades seven through twelve.
- AVID supports all students in their four-year journey in high school and especially for minority, rural, low-income and other students without a college-going tradition in their families.
- The program supports the whole student academically, emotionally, and builds community within their class and among other students in the program.
- For applications, please see the AVID Coordinator or AVID Counselor.

### *Career Center*

The College and Career Readiness Center(CCR) is an accessible hub for all SHUSD students that supports and provides college and career readiness information. SUSD students have access to CCR and receive one-to-one support by learning about the different sectors available to them such as Post Secondary Services. This includes counseling for selecting a two-year community college, four-year university, apprenticeship programs, technical schools, or entering the workforce. Along with post-high school information, the center coordinates enrollment for Career Technical Education(CTE) classes offered at the Mission Trails ROP Center. Students have the opportunity to take hands-on courses and potentially receive college credit for the designated courses through the dual enrollment program.

Throughout the school year, students have the opportunity to engage and collaborate with the Career Counselor, Work Coordinator, and Career technician. The CCR team guides students through their needs, and post-high goals and connects students with community members and partners from various sectors. Each member has a specific focus:

- Career Counselor focuses on the major aspects of the career counseling and college planning/placement process. The main component is for students to discover their strengths and interests, explore career alternatives, and find institutions of higher learning that will meet these interests, strengths, and values.
- The Work Experience Coordinator provides students with work-based learning services including employment opportunities in the area, work permit processing, community service, job application support, and internships.
- Career Technician assists students with their career-related activities, work permits, and community service needs.

The College and Career Readiness Center is open Monday - Friday during school hours.

# General Information A-Z

## *ROP & Work Experience*

CO-OP and Work Experience are classes for students to earn up to 10 credits through their jobs by working and extending the permissible hours of employment. These classes typically meet once a week and satisfy the career technical education requirement.

## *Work Permits*

All employed minors under the age of 18 must have a Work Permit (Education Code 49141). Work Permits must be renewed every year at the start of each new school year or at the time the student obtains a new job. Work Permits are required all year, not just when school is in session. It serves as an age certificate and states the maximum hours a minor may work. To be eligible, minors must attend school full-time and have good attendance. Work Permit applications are available online at the Virtual Career Center and in person at the College and Career Readiness Center. Students must meet all requirements.

## *Community Service*

Every student must complete a minimum of 40 hours of community service to graduate. Community Service forms must be completed and submitted to the Community Service Coordinator at least one week before the activity requested for prior approval. The form must be taken to the event so that the representative of the sponsoring organization can verify participation. The following is a sample of what must be done before you start your community service activity.

Pick up a form from the Career Center and keep in mind the following:

- The community service must be with a non – profit organization (not at a business where someone could be hired to do what you are doing).
- A community service form must be filled out completely. The student and parent must sign the form, and then bring the form to the Community Service Coordinator for her signature. **If a prior approval signature is not obtained, the hours do not count.** Once the hours are completed, the representative of the sponsoring organization must sign the form at the bottom of the page and indicate the total hours worked. The student then returns the community service form to the Career Center.
- Students must do at least 10 hours in at least two categories.
- Students can do a maximum of 10 hours in the “job shadow” category.
- The “school related” category is for community service performed at EAHS. You may do up to 20 hours of service in the school related category.
- If you volunteer as a science camp counselor during the school year, you will receive a maximum of 24 hours of credit.

## *Community Service Recognition*

Pick up a list of pre-approved places to do community service at the Career Center office and get started toward meeting your graduation requirements. If you complete over 100 hours of community service you will be recognized at the commencement ceremony, and get to wear a blue-colored cord to represent your service to the community. At 200 hours you get to wear a medal and a cord, at 300 hours you will get to wear a white stole, a medal, and a cord and at 500 hours you will get to wear a peacock color stole, a medal, and a cord. The student who earns the most community service hours receives an award.

# General Information A-Z

## *Counseling*

All students are encouraged to consult with their counselors regarding life-planning issues: courses of study, career choices, colleges, technical schools, test preparation, and results, course requirements, goal setting through academic planning, personal concerns, and crisis intervention. The counseling department's primary focus is to encourage students to become fully capable of making life decisions through productive problem-solving. Located on the school site counseling web page, is the contact information to reach your assigned school academic counselor and request an appointment either by phone, via email, or by scanning a QR code that directly links to the counselor's Calanderly account. Parents are encouraged to contact their student's counselor by calling the counseling secretary for an appointment at 796-7800 ex 2320. **Students also make appointments through the counseling secretary.**

Step 2: Show up at the scheduled appointment time with your photo ID.

Note: Counselors will not take appointments during the first five weeks of the school year. Directions for changing your schedule the week before school starts and the week after will be posted in the counseling office. Student appointments can only be made for the current week.

Parents and students can obtain their login and password for the Parent/Student Vue online by bringing their photo ID to the counseling office.

Counselors are available during school hours. In a crisis, drop-in visits can be arranged through the secretary. During the first two months of your senior year, you must complete a "Senior Evaluation" to finalize your plan for a successful senior year. A review of graduation and college requirements is required.

When an absence occurs your assigned school site academic counselor may assist if needed. Students are to reach out to their instructor either via Google email or Google Classroom. Please allow 24 hours for teachers to prepare lessons or check your classroom online platform using your assigned student Chromebook. Information regarding school records may be obtained through the Registrar's Office. College, scholarship, and financial aid information is available in the Counseling Office and/or the Career Center. Request for official transcript may be obtained through your school site Registrar. Any transcript evaluation can be done with an appointment with your assigned site counselor. Also, unofficial transcript information can be provided to check the status of your A-G graduation requirement completion.
