

Troy Elementary Newsletter

June 2025

It is hard to believe that another school year has come to an end! Students have worked hard to learn, grow, fulfill their goals, and build friendships; they are now ready for a well deserved summer break – filled with fun and activity.

Before we go, however, we congratulate our sixth graders who will be leaving Troy School and heading to the Middle School. As you begin your new adventure, remember our Troy pillars to ROAR! We are proud of what you have accomplished, and look forward to hearing about all of the great things you will be doing in middle school.

We say good-bye to a couple of staff members as they begin another adventure!

Mrs. Nancy Greene, our beloved Art teacher, will be retiring at the end of this school year. Mrs. Green has touched the lives of so many students in the decades that she has been at Monadnock. Her love of Art and the work that she has created with students will be remembered for years to come. We wish Mrs. Greene well as she begins this next chapter.

Mrs. Gretchen Hoefer will also be leaving Troy School at the end of this year! Her devotion to our students has made such an impact! Mrs. Hoefer too has made such a difference in the lives of our students. Although she was with us for only a short time, we will miss her positive personality. We wish Mrs. Hoefer well as she continues on to her next adventure.

As you are aware, renovations will begin quickly after students have left. Next year will be an adventure for all of us! I will do my best to keep everyone updated as to changes that are going to be necessary as we begin another year. Please be on the lookout for my "Welcome Back" letter.

Finally, I would like to take this time to thank you all for your continued support this year. Working together we have watched our children learn, grow, and mature. Your partnership in their education is greatly appreciated. Thank you to our teachers for their dedication, care, love and support they provide to students each day! Together, we make a great team!

Although summer is a time to sit back, relax, and enjoy; please remember to continue to encourage students to keep learning! Read daily, continue to work with numbers, explore nature, have fun!

As always, if any questions pop up over the summer, please feel free to contact Ms. Carrier or I.

Here's to a fantastic summer ~
