To establish residency, you must provide, **1 document from item "a" and 3 documents from "b-h" as listed below:**

f. Affidavits, certifications and sworn attestations pertaining to statutory criteria for school attendance, from the parent, legal guardian, person keeping an "affidavit pupil," adult pupil, person(s) with whom a family is living, or others as appropriate;

 - As otherwise permitted by N.J.A.C. 6A:22-3.

2.0 AFFIDAVIT OF SUPPORT (N.J.A.C. 6A:22-3.2)

Occasionally, circumstances arise whereby a student is domiciled in the home of a Red Bank Borough resident and is receiving **total financial support from that Red Bank Borough resident.** Before any such student can be registered, the Red Bank Borough resident must complete an Affidavit of Support, which documents the total financial support of the student. **All affidavits are valid for one school year only and must be renewed annually by August 1.** (Example: September 2025-June 2026 is considered one school year.)

- 2.1 Affidavits of Support are given only when a clear **hardship** can be shown. This is when a child is living with neither parent nor legal guardian.

- 2.2 The Red Bank Borough resident is willing to:
- Show proof the child is domiciled within the district.
 - Show proof the child is being supported gratis, in accordance with N.J.S.A. 18A:38-1.
 - Assume all personal obligations for the child relative to school requirements.
 - Provide proofs of residency as stated in Section 1.1

 - The resident **must sign** the Affidavit of Support and Residency.
- 2.3 The natural parent or legal guardian must do the following:
- Sign a **Parental Release of Residency and Support**.
 - Show documentation of the claim of non-support.
 - In the absence of a sworn statement from the parent, the custodial guardian of the child must sign the sworn statement stating the unknown whereabouts of said child's parents (Absence of Parental Consent).
 - **NOTE: Parent/Guardian has no rights or personal obligations for the child relative to school.**
- 2.4 The Board of Education shall apply N.J.A.C. 6A:22-3.2 in the event sworn statements are not obtained.

3.0 ORAL LEASE AFFIDAVIT

Any person seeking to register a child or children, where the name of the child's parent or court-appointed guardian does not appear on the deed to the property or the lease, must complete an Oral Lease Affidavit. **All affidavits are valid for one school year only and must be renewed annually by August 1.** (Example: September 2025-June 2026 is considered one school year.)

- 3.1 Oral Lease Affidavits are given when a resident permanently resides in Red Bank Borough but does not have a written lease.
- 3.2 A parent/guardian **must sign** the affidavit and have it notarized.

In addition to the notarized Oral Lease Affidavit

- The **registering parent/guardian** must provide 2 documents proving residency status as stated in Section 1.1 "b-h".
- The **Red Bank Borough resident** must provide 1 document proving residency status as stated in Section 1.1.

Failure to comply legally with Affidavits of Residency or Support will result in billing for payment of the tuition cost.

The district shall randomly check the residency status of students currently enrolled in the school system. If the district finds non-resident students attending our schools, the Board of Education is obliged to charge the appropriate tuition fee which, as of 2023, computes to approximately \$20,000 per student in grades K-8 per school year. Tuition for students receiving special education services may be significantly higher.

Verification

The Board of Education reserves the right to verify the residency of any pupil and the validity of any affidavit of guardianship at any point during the year. Affidavits of Residency and Support are renewed annually and/or completed at the time of registration. Change of residence during the school year also must be verified. Residency Verification Guidelines must be followed.

MINIMUM IMMUNIZATION REQUIREMENTS FOR SCHOOL ATTENDANCE IN NEW JERSEY N.J.A.C. 8:57-4: IMMUNIZATION OF PUPILS IN SCHOOL

*** Footnote:** The requirement to receive a school entry booster dose of DTP or DTaP after the child's 4th birthday shall not apply to children while in child care centers, preschool or pre-kindergarten classes or programs.

The requirement to receive a school entry dose of OPV or IPV after the child's 4th birthday shall not apply to children while in child care centers, preschool or pre-kindergarten classes or programs.

**** Footnote:** Antibody Titer Law (Holly's Law)—This law specifies that a titer test demonstrating immunity be accepted in lieu of receiving the second dose of measles-containing vaccine. The tests used to document immunity must be approved by the U.S. Food and Drug Administration (FDA) for this purpose and performed by a laboratory that is CLIA certified.

***** Footnote:** No acceptable immunity tests currently exist for Haemophilus Influenzae type B, Pneumococcal, and Meningococcal.

Please Note The Following:

The specific vaccines and the number of doses required are intended to establish the minimum vaccine requirements for child-care center, preschool, or school entry and attendance in New Jersey. These intervals are not based on the allotted time to receive vaccinations. The intervals indicate the vaccine doses needed at earliest age at school entry. Additional vaccines, vaccine doses, and proper spacing between vaccine doses are recommended by the Department in accordance with the guidelines of the American Academy of Pediatrics (AAP) and Advisory Committee on Immunization Practices (ACIP), as periodically revised, for optimal protection and additional vaccines or vaccine doses may be administered, although they are not required for school attendance unless otherwise specified.

Serologic evidence of immunity (titer testing) is only accepted as proof of immunity when no vaccination documentation can be provided or prior history is questionable. It cannot be used in lieu of receiving the full recommended vaccinations.

Provisional Admission:

Provisional admission allows a child to enter/attend school after having received a minimum of one dose of each of the required vaccines. Pupils must be actively in the process of completing the series. Pupils <5 years of age, must receive the required vaccines within 17 months in accordance with the ACIP recommended minimum vaccination interval schedule. Pupils 5 years of age and older, must receive the required vaccines within 12 months in accordance with the ACIP recommended minimum vaccination interval schedule.

Grace Periods:

- **4-day grace period:** All vaccine doses administered less than or equal to four days before either the specified minimum age or dose spacing interval shall be counted as valid and shall not require revaccination in order to enter or remain in a school, pre-school, or child care facility.
- **30-day grace period:** Those children transferring into a New Jersey school, pre-school, or child care center from out of state/out of country may be allowed a 30-day grace period in order to obtain past immunization documentation before provisional status shall begin.

Acceptable Use for Students of Computer Network/Computers and Resources

We are pleased to offer Red Bank Borough Public School students access to the school's electronic network. Parental permission is required for all students under the age of 18 prior to accessing the network. Access to the Internet will enable students to explore thousands of libraries and databases throughout the world. Families should be warned that some material accessible via the Internet might contain items that are illegal, defamatory, inaccurate or potentially offensive to some people. Our intent is to make Internet access available to further educational goals and objectives. A school-sponsored firewall has been established which is designed to block these inappropriate sites. We believe that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, exceed any disadvantages. But ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources. To that end, Red Bank Borough Public School District supports and respects each family's right to decide whether or not to apply for network access. These are the expectations for all students accessing the network:

- a. Appropriate language use while using the network
- b. Report all concerns or misuses to the teacher
- c. Follow all school rules of behavior
- d. Be responsible for keeping computers in good working condition
- e. Follow instructions given by teacher
- f. All resources used, including web sites, are given appropriate credit
- g. Respect privacy of other people's work
- h. Accessing only appropriate, educationally-related sites
- i. Obtain a teacher's permission prior to downloading anything from the Internet
- j. Never give personal information, such as name, address, age, or telephone number.

Within reason, freedom of speech and access to information will be honored. During school, teachers will guide students toward appropriate materials. Outside of school, families bear the same responsibility for such guidance as they exercise with information sources such as television, telephones, movies, radio and other potentially offensive media.

This Acceptable Use Policy is intended to convey that all students will comply with the above expectations and that you give your child permission to access the school's network for the duration of your child's attendance in the district. If the parent/guardian chooses to modify the permissions set forth by this Acceptable Use Policy, you must contact the school directly. Please be advised that you hereby also give permission for photographs of your child to be used for display and marketing in any/all media – print video, web, etc. unless you indicate otherwise below:

_____ YES, I **give** permission for photographs of my child to be used for display and marketing in any/all media – print, video, web, etc.

_____ NO, I **do not give** permission for photographs of my child to be used for display and marketing in any/all media – print, video, web, etc.

NEW JERSEY DEPARTMENT OF EDUCATION STUDENT PHOTO RELEASE FORM

I, (please print full name neatly) _____, having previously given permission to my local school district to publish photos/images of my child (please print full name of child) _____ on the district/school web site, additionally give permission for the New Jersey Department of Education (DOE) to display photos/images/videos of this child on the DOE Web site www.state.nj.us/education and on social media (including, but not limited to, Facebook, X, and Instagram).

In granting this permission, I understand that the DOE may use photos/images/videos of my child for purposes such as celebrating achievements and publicizing education events, as deemed appropriate by the Public Information Office, and that such use may include display in the DOE Photo Gallery and on social media. I further understand that, although school districts and/or schools associated with photos/images/videos will be identified, and that adults appearing in photos/images/videos may be named, my child's name or other personally identifiable information will *not* be used with any photo/image/video.

I am signing this release form with the knowledge that any photos/images/videos posted on the DOE Web site or on social media can be downloaded and reprinted by various news organizations, including print, electronic and broadcast media, and I, therefore, release the DOE from any liability arising from use of my child's photos/images/videos in DOE Web or social media postings. Additionally, as previously advised by the local school district, I understand that there are potential dangers associated with the posting of personally identifiable information on a Web site or on social media, since global access to the Internet does not allow for control of who may access such information. I further understand that if I wish to rescind this agreement, I may do so at any time by sending a letter to the principal of my child's school, who will immediately notify the DOE by fax or e-mail. The requested rescission will take effect upon DOE's receipt of the principal's notification.

Medicaid Annual Notification Regarding Parental Consent

Background: The State of New Jersey has participated in a Federal program, Special Education Medicaid Initiative (SEMI), since 1994. The program assists school districts by providing partial reimbursement for medically-related services listed on a student's Individualized Educational Program (IEP).

The SEMI program is under the auspices of the New Jersey Department of the Treasury through its collaboration with the New Jersey Department of Education and New Jersey Division of Medicaid Assistance and Health Services.

In 2013, the regulations regarding Medicaid parental consent for school-based services changed. Now the regulations require that, prior to accessing a child's public benefits or insurance for the first time, and annually thereafter, school districts must provide parents/guardians written notification and obtain a one-time parental consent.

Is there a cost to you? No. IEP services are provided to students while at school at no cost to the parent/guardian.

Will SEMI claiming impact your family's Medicaid benefits? The SEMI program does not impact a family's Medicaid services, funds, or coverage limits. New Jersey operates the school-based services program differently than the family's Medicaid program. The SEMI program does not affect your family's Medicaid benefits in any way.

What type of services does the School-Based Services program cover?

- Evaluations
- Speech Therapy
- Occupational Therapy
- Physical Therapy
- Psychological Counseling
- Audiology
- Nursing
- Specialized Transportation

What type of information about your child will be shared? In order to submit claims for SEMI reimbursement, the following types of records may be required: first name, last name, middle name, address, date of birth, student ID, Medicaid ID, disability, service dates and the type of services delivered.

Who will see this information? Information about your child's special education program may be shared with the New Jersey Division of Medicaid Assistance and Health Services and its affiliates, including the Department of the Treasury and the Department of Education for the purpose of verifying Medicaid eligibility and submitting claims.

What if you change your mind? You have the right to withdraw consent to allow for Medicaid billing at any time. If you would like to revoke consent, please contact the school in which your child is enrolled in writing.

Special Education Medicaid Initiative (SEMI) Parental Consent Form 2025 - 2026

The Red Bank Borough Public Schools are participating in the Special Education Medicaid Initiative (SEMI) program that allows school districts to bill Medicaid for services that are provided to students. In accordance with the Family Educational Rights and Privacy Act, 34 CFR §99.30 and Section 617 of the IDEA Part B, consent requirements in 34 CFR §300.622 require a one-time consent before accessing public benefits.

This consent establishes that your child's personally identifiable information, such as student records or information about services provided to your child, including evaluations and services as specified in my child's Individualized Education Program (IEP) (occupational therapy, physical therapy, speech therapy, psychological counseling, audiology, nursing and specialized transportation,) may be disclosed to Medicaid and the Department of the Treasury for the purpose of receiving Medicaid reimbursement at the school district.

As parent/guardian of the child named below, I give permission to disclose information as described above and I understand and agree that Medicaid may access my child's or my public benefits or public insurance to pay for special education or related services under Part 300 (services under the IDEA). I understand that the school district is still required to provide services to my child pursuant to his or her IEP, regardless of my Medicaid eligibility status or willingness to consent for SEMI billing. I understand that billing for these services by the district does not impact my ability to access these services for my child outside of the school setting, nor will any cost be incurred by my family including co-pays, deductibles, loss of eligibility or impact on lifetime benefits.

Child's Date of Birth: ____/____/____

Parent/Guardian: _____ Date: ____/____/____
