

# A WELCOME FROM THE SUPERINTENDENT

Dear Students, Families, and Community Members,

Welcome to a new year of opportunity at Great Plains Technology Center! Whether you're just beginning your journey with us or continuing to build on your goals, we're thrilled you've chosen to explore what's possible through career and technical education.

Inside this catalog, you'll find more than just course listings—you'll discover pathways to certifications, college credit, hands-on experience, and, most importantly, personal transformation. Our programs are designed with one goal in mind: to equip you with the skills, confidence, and vision to succeed in the workforce and beyond.

At Great Plains, we believe learning should be bold, meaningful, and directly connected to the real world. That's why our instructors bring industry experience to the classroom, our partnerships open doors to local careers, and our students leave here not just ready for what's next—they lead it.

As you explore your options, remember that your future doesn't have to wait. It's right here. Right now. And we're here to walk beside you every step of the way.

Let's make this year one of growth, purpose, and great achievement.

Sincerely,

Superintendent

Great Plains Technology Center

#### **SCORE**

The SCORE (School of Opportunities and Real Education) program was established in 1995 to help reconnect students ages 16-20 to a high school education. It is a dropout recovery/alternative education program that has allowed over 1,000 students to earn their high school diploma while also having the opportunity to complete career technology education.

Academic areas include English, Math, Science, Social Studies, and elective courses. Life Skills classes are designed to help students prepare for the "real" world. Class sizes are 15 students or less so that students have more individual instruction and help from teachers.

For more information, please call SCORE Director Blake Thomas at 580-250-5620 or email: blake.thomas@greatplains.edu

At Great Plains Technology Center, our students are landing jobs and launching careers before they even toss their graduation caps in the air!

Whether it's welding, nursing, cyber security, or cosmetology (and everything in between), local employers are lining up to hire GPTC students because they know our grads show up with real skills, ready to work.

These aren't just job offers they're game-changers. They represent hours of hands-on learning, certifications earned, and confidence built.

Contact our Employment Advisor at 580-250-5684 or cgraham@greatplains.edu.

# Work-Based Learning

Work-Based Learning is a partnership between education and businesses to create a skilled workforce for now and for the future.

WBL experiences provided by business interaction creates a relevance to the technical training that is difficult to achieve in the classroom, and provides students critical insights to help them be successful whether they choose college or career.

#### **ENROLLMENT GUIDELINES-EVENING CLASSES**

- You must be at least 16 years of age to enroll in Adult Career Development Classes, unless otherwise stated in course description.
- Tuition is due in full at time of enrollment.
- Class space is limited.
- Early enrollment helps keep classes from being cancelled.
- Textbooks are now included in the price of tuition!

#### **Cancellation Policy**

Classes are cancelled when enrollment is below the minimum number of students required to hold the course.

#### **Inclement Weather**

Great Plains will decide by 7:00 am if full-time daytime classes will meet, and by 2:00 pm if evening classes will meet.

Announcements will be made on local television and our social media pages.

#### **Refund Policy-ACD Classes**

- 100% refund prior to course start date
- 50% refund within two business days after course start date
- No refund three or more days after course Resource Center or are available for start date download at:
- No refund after start date for classes consisting of five (5) or fewer meeting dates.
- Students must formally withdraw from class to claim a refund
- BasicRider Course students are eligible for a 50% refund if withdrawing on or after course start date and before course completion with instructor permission.

#### Reciprocity Agreement

In accordance with the State Board of Oklahoma CareerTech, students enrolling in a part-time class who currently reside within a district served by an Oklahoma Technology Center may enroll at the rates published in this catalog. Any student who does not live within a technology center district will be charged twice the published rate.

Students enrolling in full-time adult programs who do not reside in the Great Plains Technology Center district will be charged the published tuition plus a \$1000 out of district fee.

#### **Special Accommodations**

If you require special accommodations due to a disability, contact the Disability Services Coordinator at **580.250.5531**.

#### Financial Aid

A limited number of Great Plains Foundation Scholarships are available. Scholarship applications are available in the Student Resource Center or are available for download at:

greatplains.edu/student-resources/financial-aid

#### Recent high school grad?

You may qualify for a \$2100 Dr. George Bridges Next Step Scholarship, a one-time tuition scholarship. The scholarship is good for ONE full time program tuition, good for 1 year from the date of high school graduation. See website for more details.
