Miami University	B.S.	1996
Central Michigan University	Au.D.	2000

Kimberly (Skiver) Motilor -- Paulding High School Class of 1992

Kimberly (Skiver) Molitor is a 1992 graduate of Paulding High School. She graduated Magna Cum Laude with a Bachelor of Science and a Bachelor of Science in Education from Miami University in 1996. While at Miami University she earned several awards and also served as the president of their chapter of the National Student Speech Language Hearing Association. She was accepted into the newly developed clinical Doctorate of Audiology program at Central Michigan University where she held a research assistantship. After completing a doctoral project and several internships in Indiana, Ohio, and Minnesota, she received her Doctorate of Audiology in 2000.

Dr. Molitor started her career in Northeast Indiana initially serving patients in rural communities in satellite clinics then transitioning her career to evaluating and treating primarily pediatric patients and their families. Choosing to serve in the community where she was raised, she brought her career back to Paulding County, establishing Buckeye Hearing Health in 2004, a hearing and hearing aid clinic providing audiology services for ages toddler to adults. She is Board Certified in Audiology and recently received the 20-year milestone award from the Paulding Area Chamber of Commerce. Establishing Buckeye Hearing Health allowed her to provide patient care not only to the Paulding community, but also patients from all over Northwest Ohio and Northeast Indiana. In the past 20 years, she has served nearly 3400 patients from her office.

Dr. Molitor is the daughter of Rich and Cindy (Dobbelaere) Skiver. Dr. Molitor resides in rural Paulding County with her husband Chad, son Eli, and twin daughters Brooke and Hannah.
