School Accountability Report Card

Reported Using Data from the 2015-16 School Year

Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-17)

Our Staff Commitment to a Culture of Universal Achievement reads:

"We are committed to creating a school that gives every child the skills to soar. Every student will be successful. All students will develop their character and their academic skills. The elementary education we provide our students will be the foundation upon which they build their lives."

Our educational programs are based upon California State Standards and are guided by a comprehensive assessment system including rigorous academic standards, high expectations, and accountability for all of our students, families and staff members. As an official No Excuses University School, we hold dear the belief that all students should be prepared for college if they should choose to go. Our dedicated staff provides meaningful and challenging coursework through the use of research-based instructional strategies. We provide differentiated instruction for all students, including Disadvantaged Youth (children of poverty, Academic English Learners, and foster children), Special Education, and Gifted and Talented Education. The Magnolia staff is dedicated to maintaining an environment which supports and ensures that students reach their highest potential.

A. Conditions of Learning**State Priority: Basic**

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

Year and month in which data were collected: 12/01/2016

Materials Sufficiency Board Meeting Date: 04/11/2016 The table displays information collected on 12/01/2016 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. It was determined that each RUSD school had sufficient and good quality textbooks, instructional materials, or science lab equipment, where appropriate, pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a 6-year cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. Riverside Unified School District adopts instructional materials on a regular schedule based on State adoptions. All students receive appropriate, up-to-date instructional materials for use in the classroom and at home. All materials currently in use have been selected by the staff with parent input, and approved by the Board of Education according to state adoption requirements. Teachers are provided training in the use of new materials. Comprehensive curriculum (ELA, Math, Science, History-Social Science) Pearson: Opening the World of Learning (OWL) adopted in: 2015

"Riverside Unified School District maintains both 5 and 15 year major maintenance plans for all schools. These plans are located at the District's Maintenance and Operations Office and are available for review."

Riverside Unified School District has instituted a formal school facility inspection system based on State of California School Facility Condition Criteria. The State criteria consist of 13 building components typically found in school facilities. Magnolia Elementary School completed their school site inspection on 03/29/17..

Magnolia has a full time custodial staff who along with other district personnel maintain the grounds and facilities.

Riverside Unified School District has allocated funds for the sole purpose of school maintenance pursuant to Education Code sections 17002(d), 17014, 17032.5, 17070.75(a), and 17089(b). The information below displays the number of individual maintenance work orders completed in the last 12 months and the assessed value of the work completed.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Parents are encouraged to be an active part of their child's school experience.

Parent Teacher Association (PTA) meetings are held several times each year, usually in conjunction with another school event such as Back to School Night and Open House. All parents are encouraged to attend. PTA Board Meetings are held once per month, after school. Please call the office for contact information.

School Site Council Meetings are held 8 times per year. All parents are welcome to attend.

Our English Learner Advisory Committee (ELAC) meets throughout the year. Please call for specific dates and times.

Teachers invite and encourage volunteers in the classrooms. Visits to classrooms are scheduled one day in advance according to RUSD School Board Policy. All visitors on campus need to check-in at the school office and check-out at the office after the visit.

Communication with parents is given a high priority on our campus. Communication is made via flyers, notes home, phone calls, individual meetings/conferences, autodialer, and through the school website. Parents are encouraged to meet with teachers on an ongoing basis. We appreciate parents' ideas, observations, and suggestions. PTA events, other school events such as band concerts, as well as Principal's Coffee meetings are all opportunities for parents to connect with the school. Magnolia believes that the stronger the team between teacher, parent and student, the more successful the student will be.

Parents are encouraged to attend all parent meetings, parent workshops and volunteer in their child's classroom. A parent's interest in, and participation in, his or her child's education will have a lasting impact.

Contact principal/office for more information: 951-788-7274.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (School Year 2016-17)

The School Site Council or its delegate is responsible for the development and updating of the school's Comprehensive Safety Plan. A Site Comprehensive Safety Plan Checklist is provided by the Assistant Superintendent of Operations to give guidance on what should be included in the School's Safety Plan. The Safety Plan is discussed with staff, evaluated, amended/reviewed/updated by March 1 of each year. The school's safety committee makes monthly safety inspections. A school Disaster Preparedness Plan that deals with a wide variety of emergency situations is incorporated into the School Safety Plan. Earthquakes, fire, and lockdown drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; provisions of any schoolwide dress code including the definition of "gang related apparel"; safe movement of pupils, parents and school employees to and from school; strategies in maintaining a safe and orderly school environment; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspensions, expulsion or mandatory expulsion and other school designated serious acts which would lead to suspension or expulsion, notification to teachers, anti-bullying policy and school discipline rules and procedures pursuant to EC 35291 and EC 35291.5. The school also has an assigned School Resource Officer (SRO).

Professional Development (Most Recent Three Years)**2014-2015**

All teachers will attend two days of training as we transition to Common Core State Standards. Our entire Kindergarten, First and Second grade teams will attend a week long training on Multi-sensory instruction to provide more effective intervention to struggling students. Additional trainings will be offered during staff meetings based on needs identified through ongoing assessments.

2015-2016

Teachers will participate in 6 professional development days throughout the year to facilitate implementation of Innovate ED; professional development that builds site capacity to ensure all students become college and career ready. Other professional development opportunities include: Illuminate Training, Math/ELA training, and Technology.

2016-2017

Teachers will continue professional development with Innovate ED via Instructional Design days and Learning Rounds. Magnolia's Leadership Team will also work closely with the other Elementary Leadership Teams throughout the district at 2 professional development days. Focus is on sound instruction and student engagement. Staff will have a common language, focus and rubric identifying sound instruction, student learning, and student engagement. In addition, staff will receive training in math, ELA, writing, DIBELS, technology, and intervention during staff, team, and leadership meetings. Workshops are provided throughout the school year through the district for teachers to attend. Principal will provide teachers additional time to plan with Teachers on Special Assignment and their grade level teams for further professional growth.
