

3 Steps for a Successful Start to the 2025-26 School Year!

The first day of school is **August 13**. You can get ahead of the game in just **three easy steps**!

1 Update your student's transportation information for 2025-26

2 Update your contact information in Infinite Campus

3 Apply for Free and Reduced Meals starting July 21

Important Information for the 2025-26 School Year

Transportation: Updating your student's transportation information is **crucial** for a smooth start to the school year. It allows our Transportation Department to have bus routes planned before the first day of school. To provide the needed information, follow the steps below in Infinite Campus:

1. Log in to Campus Parent: <https://go.fcps.net/campusparent>
2. Click Online Registration on the bottom right side
3. Click Start under Annual Update / New Student Registration
4. On the next screen, verify that your student(s) information is listed correctly and then click Begin Registration
5. Move through the steps to complete and submit the form

Infinite Campus: In the same process used to verify transportation needs, use the Annual Update tool to verify and make needed corrections to your household information in Infinite Campus (IC).

Free and Reduced Meals: For the 2025-26 school year, complete the Free and Reduced Meals form online beginning July 21. Only one form per family is needed, and it only takes a few minutes. This is a great support to our families but also provides funding and resources for the school. If you have any questions or need any help filling out the form online, please contact Jessica Morgison, FRAM Coordinator for FCPS Child Nutrition.
