# Mountain View Elementary School School Accountability Report Card Reported Using Data from the 2015-16 School Year Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

#### School Description and Mission Statement (School Year 2016-17)

It is the mission of the Mountain View staff and faculty to provide daily first best instruction and academic support for all students so that they can be prepared for college and career with twenty-first century skills leading to lifelong success.

Mountain View is an elementary school in the Riverside Unified School District serving students from preschool through 6th grade. Our community enjoys diversity across languages and cultures. Diversity is a hallmark of our staff as well with teachers holding advanced expertise in language, mathematics, literacy, instructional technology, and more.

Mountain View offers Dual Language Immersion (Spanish/English) beginning in Kindergarten. Our Dual Language Immersion program began in the 2013-14 school year with Kindergarten only. One grade-level per year will be added through the 2019-20 school year when all grades K-6 will be included. Our Dual Language Immersion teachers are all state certified and receive specialized training in order to provide the highest quality instruction in respect to language development and academics.

Mountain View Elementary School provides other signature programs and practices to ensure optimal student engagement and learning. Mountain View Elementary School is an AVID Elementary school providing students instruction in college preparatory skills and habits in grades 3 - 6. At Mountain View, we focus on student engagement, leveraging students' strengths and interests as they achieve Common Core Standards proficiency. Students in grades three through six are provided with laptop computers for use in the classroom. Students in grades K-2 enjoy the use of digital devices at a ratio of one device to every two students.

Mountain View Elementary School seeks to fulfill its mission by providing a safe, orderly, and scholarly learning environment that irresistibly engages all students while preparing them for success as citizens of the twenty-first century.

# **State Priority: Basic**

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- · Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

# Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

Year and month in which data were collected: 12/01/2016

Materials Sufficiency Board Meeting Date: 10/10/2016

The table displays information collected on 12/01/2016 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. It was determined that each RUSD school had sufficient and good quality textbooks, instructional materials, or science lab equipment, where appropriate, pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a 6-year cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

Riverside Unified School District adopts instructional materials on a regular schedule based on State adoptions. All students receive appropriate, up-to-date instructional materials for use in the classroom and at home. All materials currently in use have been selected by the staff with parent input, and approved by the Board of Education according to state adoption requirements. Teachers are provided training in the use of new materials.

"Riverside Unified School District maintains both 5 and 15 year major maintenance plans for all schools. These plans are located at the District's Maintenance and Operations Office and are available for review."

Riverside Unified School District has instituted a formal school facility inspection system based on State of California School Facility Condition Criteria. The State criteria consist of 13 building components typically found in school facilities. Mt. View Elementary School completed their school site inspection on 11/29/2016.

Mt. View has a full time custodial staff who along with other district personnel maintain the grounds and facilities.

Riverside Unified School District has allocated funds for the sole purpose of school maintenance pursuant to Education Code sections 17002(d), 17014, 17032.5, 17070.75(a), and 17089(b). The information below displays the number of individual maintenance work orders completed in the last 12 months and the assessed value of the work completed.

# **B. Pupil Outcomes**

# **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2016-17)

The parental involvement contact at this school is Maria Bleemers, Instructional Coach. Mrs. Bleemers can be contacted at 951-788-7433.

Parents are an essential part of their child's education. Mountain View recognizes this by providing multiple opportunities for parents to become involved. Parents are involved through School Site Council (SSC), English Language Advisory Council (ELAC), Parent Teacher Association (PTA) and volunteering in classrooms and in a variety of support roles throughout the school. To support parental involvement and education, parents are provided parent handbooks, parent newsletters, informational bulletin boards, as well as home-to-school communication in both English and Spanish. The school maintains an informational website expressly for keeping our community up-to-date. Parents are offered training and workshops such as Family Math Night and Families First for parents, as well as ongoing targeted training during ELAC and SSC meetings and other opportunities identified to address specific needs or interests of our parent community.

Back-to-School Night, Open House, and Title I parent meetings are all avenues for parental involvement that support and align with increased student achievement. Additional strategies for ensuring high levels of parental participation include providing incentives, childcare services, translators, and substitutes when necessary to allow teachers to interact with parents. Parents are also provided with regular progress monitoring including progress reports, report cards, parent conferences, notes home and telephone calls.

- 1. Parents are encouraged to support Mountain View 's mission, vision, and common commitments in the following ways: Ensure that their child is at school every day.
- 2. Ensure that their child arrives on time every school day.
- 3. Ensure that their child remains in class the entire school day.
- 4. Ensure that absences are for illnesses only.
- 5. Ensure that homework is completed to the best of the child's ability and returned daily.
- 6. Make contact with the teacher to clarify questions, assignments, or concerns.

# **State Priority: School Climate**

# School Safety Plan (School Year 2016-17)

The School Site Council or its delegate is responsible for the development and updating of the school's Comprehensive Safety Plan. A Site Comprehensive Safety Plan Checklist is provided by the Assistant Superintendent of Operations to give guidance on what should be included in the School's Safety Plan. The Safety Plan is discussed with staff, evaluated, amended/reviewed/updated by March 1 of each year. The school's safety committee makes monthly safety inspections. A school Disaster Preparedness Plan that deals with a wide variety of emergency situations is incorporated into the School Safety Plan. Earthquakes, fire, and lockdown drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; provisions of any schoolwide dress code including the definition of "gang related apparel"; safe movement of pupils, parents and school employees to and from school; strategies in maintaining a safe and orderly school environment; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspensions, expulsion or mandatory expulsion and other school designated serious acts which would lead to suspension or expulsion, notification to teachers, anti-bullying policy and school discipline rules and procedures pursuant to EC 35291 and EC 35291.5. The school also has an assigned School Resource Officer (SRO).

#### **Professional Development (Most Recent Three Years)**

#### 2014-15

Instructional staff were provided with five full release days of professional development in support of planning and instruction of Common Core Standards in language arts and mathematics. Each of these training days were provided by district staff development specialists off-site and with grade-alike colleagues from a variety of schools with the Riverside Unified School District. Mountain View teachers and staff continued to work directly with consultants from Pearson Learning Teams focusing the refinement of professionals skills and practices in the areas of formative and summative assessment, data analysis, instructional planning, and evaluation of learning outcomes. Mountain View instructional coaches and administrators continued to work with instructional staff providing coaching of teachers and teams. Professional development specific to programs such as Dual Language Immersion and AVID Elementary were provided in both on-site and off-site models. Teachers new to the profession are afforded the benefit of our district Beginning Teachers Support and Assessment Program wherein coaching, modeling, observation visits and competencies practices are incorporated.

# 2015-16

Mountain View teachers and administrators continue to work with Pearson consultant and researchers in the Learning Teams professional collaboration model to hone our practices and outcomes from professional collaboration and inquiry. During this school year, all teachers in the Riverside Unified School District will receive an additional two full days of professional development (release days) supporting instruction of common core standards. Teachers will again meet with grade-alike teams from other schools for these days of training. Mountain View instructional coaches and administrators continued to work with instructional staff providing coaching of teachers and teams. Professional development specific to programs such as Dual Language Immersion and AVID Elementary were provided in both on-site and off-site models.
