

Allegany – Limestone Student Driving/Parking Privileges

Driving and parking on campus are privileges, not rights. Please keep in mind that failure to abide by ALMHS Driving/Parking Rules or the ALCS Code of Conduct may lead to a revocation of these privileges.

- 1.) Every vehicle (including second vehicles, rentals and replacements) must be registered with the Middle-High School Office; those that aren't will be **towed at the owner's expense**. The assigned parking tag should be affixed to the **rear corner of the driver's side back window OR in the back rear view window** of the vehicle you registered. If you are driving an alternate vehicle for only a day or two, please notify the Middle-High School Office. Please report any change of vehicle to the Middle-High School Office **before** moving the tag.
- 2.) Student drivers are expected to abide by correct driving procedures, such as: speed limits, stop signs, and rights of way. Signs have been posted on campus for safety reasons.
- 3.) Student drivers are expected to park squarely in the marked spaces in the designated area:
Seniors: **upper parking lot**.
Juniors: **lower parking lot**
- 4.) Please report the make, model and license plate number of any vehicle that's being driven or parked inappropriately on campus to the Middle-High School Office.
