

AP and IB Exam Absence Clearance Request form

Process for excusing absences around AP/IB exams to ensure smooth attendance and minimize disruptions and wait times.

Attendance expectations during AP/IB exams:

- Students are excused from their classes only during the times of their exams, and for the afternoon exams, they will be released from class at 11:50am to have lunch prior to the afternoon exam.
- Students are not excused from classes before or after exams; they are expected to be in class outside of their exam times.
- In some cases, families find it is necessary for the student to miss their morning classes (arrive late to school) and then attend their afternoon exam or to attend the morning exam and be dismissed early from school.

Protocol for reporting late arrivals/early dismissals for AP/IB exams:

- Due to the high demand for these requests during AP/IB exam season, instead of requiring the parent/guardian to call school each day, we kindly ask families complete this form in advance and submit it to attendance. In accordance with ed code, the student's absence outside of exam times will be marked as 'unexcused' and listed as personal reasons (if form is completed).
- **Students must check in with attendance when arriving late or check out with attendance when leaving early.** Otherwise, their absence from classes outside of exam times will be marked as truant.
- Please complete this form and submit it to attendance at least 24 hours before your planned absence.
