

POLAND SEMINARY HIGH SCHOOL

3199 Dobbins Road / Poland, Ohio 44514 / 330-757-7018

June 6, 2025

Dear Parents of **Incoming 7th Grade Students**,

The State of Ohio

REQUIRES ALL STUDENTS ENTERING THE 7th GRADE to have received the following immunizations:

- 1) **Tdap booster** (Tetanus, Diphtheria, Pertussis)
- 2) **Meningococcal vaccine** (Serogroup A, C, W, and Y)

If this has not already been completed, we are encouraging all upcoming 7th grade students to have an appointment scheduled with their Healthcare Provider prior to the first day of the 2024-2025 school year.

As with other school immunization requirements, students without proof of required vaccines are subject to exclusion from school if verification is not received by the 14th day of school: **September 19, 2025**.

In addition to your child's Healthcare Provider, The Mahoning County District Board of Health offers vaccination administration. To make an appointment, call (330)270-2855 ext. 125. They are also available at many local pharmacies.

Please forward the record to the school office when your child receives his/her vaccination and it will be placed in their health file. It can also be faxed to the clinic at (330)757-2095.

If you have any questions, please contact Holly Lefoer, School Nurse, at hlefoer@polandschools.org or (330)757-7018 #6.

Thank you,
Kevin Snyder, Principal, Poland Seminary High School
