

MEMORANDUM

March 26, 2010

TO: Board Members

FROM: Terry B. Grier, Ed.D.
Superintendent of Schools

SUBJECT: **STUDENT DISCIPLINARY ACTION SUMMARY 2008–2009**

CONTACT: Carla Stevens, 713-556-6700

Attached is a CD with the districtwide Student Disciplinary Action Summary for the 2008–2009 academic year. This report was produced in compliance with Senate Bill 724, as described in the Texas Education Code. It is organized according to the coding categories used by the Texas Education Agency and includes a statement of the number, rate, and type of violent or criminal disciplinary incidents that occurred on each campus. Districtwide, the overall incident rate was 50.26, representing 100,278 incidents. The figures are decreases from the previous year's rate of 56.84 and 112,984 incidents. It must be emphasized that the numbers of incidents are duplicated counts representing the total number of incidents, not the number of students. Consequently, students may be counted more than once.

The report is provided in two formats. In the first format, schools are reported according to their School Board Member Districts. The second format organizes the schools based on their regions. A printed copy of the Board Member District Report is provided for your convenience. The 2007–2008 summary pages are provided at the back of each report for reference purposes. Previous years' reports in full are available on-line on the Research and Accountability Department's website on the HISD Portal.

Should you have any further questions, please call my office or Carla Stevens in the Research and Accountability Department at 713-556-6700.

Introduction

The purpose of this report is to provide the number and rate of student disciplinary incidents that occurred in HISD during the 2008–2009 school year. The report was created to comply with Senate Bill 1724, as described in Section 39.053 of the Texas Education Code. Specifically, it states that the annual report must include a statement of the number, rate, and type of violent or criminal incidents that occurred on each district campus, information concerning school violence prevention and violence intervention policies and procedures that the district is using to protect students, and the findings that result from evaluations conducted under the Safe and Drug-Free Schools and Communities Act of 1994 (20 U.S.C. Section 7101 et seq.) and its subsequent amendments.

The disciplinary reason codes listed in the report are presented below along with their definitions. The data were obtained from summer 2008–2009 PEIMS summer resubmission file submitted to the Texas Education Agency. The rate was calculated by dividing the number of incidents that occurred by the fall enrollment during 2008–2009 school year. Enrollment at SOAR was not included. Fall region and districtwide enrollment includes all schools.

Introduction

The purpose of this report is to provide the number and rate of student disciplinary incidents that occurred in HISD during the 2008–2009 school year. The report was created to comply with Senate Bill 1724, as described in Section 39.053 of the Texas Education Code. Specifically, it states that the annual report must include a statement of the number, rate, and type of violent or criminal incidents that occurred on each district campus, information concerning school violence prevention and violence intervention policies and procedures that the district is using to protect students, and the findings that result from evaluations conducted under the Safe and Drug-Free Schools and Communities Act of 1994 (20 U.S.C. Section 7101 et seq.) and its subsequent amendments.

The disciplinary reason codes listed in the report are presented below along with their definitions. The data were obtained from summer 2008–2009 PEIMS summer resubmission file submitted to the Texas Education Agency. The rate was calculated by dividing the number of incidents that occurred by the fall enrollment during 2008–2009 school year. Enrollment at SOAR was not included. Fall region and districtwide enrollment includes all schools.
