Edison MS

A list of measurable objectives which correlates to those presented in SIP Part 2 *(Table of Contents, Section 4-9)*

Perception Goal: The number of students that believe students do not treat adults with respect or students with respect will decrease by 10% as measured by the Your Voice Survey taken in the spring of 2015

Fleming MS

A list of measurable objectives which correlates to those presented in SIP Part 2 *(Table of Contents, Section 4-9)*

The met standard performance level as identified by the STAAR Mathematics, Reading, Writing, Science, and Social Studies will increase to at least 80% with at least 15% of the students achieving Level III performance. This will be addressed from the first day of school as we meet the needs of those high-performing students.

Through efforts by the entire school community, Fleming will be able to increase the average daily attendance rate. The attendance rate will increase to 96% through the use of weekly incentives and other early indicator interventions.

Better effort will be made this year to work with local Fifth Ward elementary schools and high schools to ensure that Fleming students are adequately prepared for the learning environments they enter for sixth and ninth grades, respectively. We will also work to gain a more positive perception of Fleming.

During the 2014-2015 school year, the level of Special Education and ELL students meeting or exceeding the standards in math, reading, science, and social studies was much lower than acceptable. This population is approximately 17% of the entire student body. The requirements are much more demanding and with deletion of the STAAR-M, students are held to a higher standard and level of performance. We will be aligning supports and professional development for staff to ensure these subgroups improve performance levels this year.

Fondren MS

A list of measurable objectives which correlates to those presented in SIP Part 2 *(Table of Contents, Section 4-9)*

1. In Reading on STAAR, By May 2016, we will increase the percentage of all 6th, 7th, and 8th grade Reading students meeting Phase-In II from 54% to 70%.
2. In Math on STAAR, we will improve from 69% to 85% and 35% at Level III.
3. According to One Voice Survey - we will improve our survey results to 80% of our parents/students will consider our school free of violence/bullying.
4. Improve attendance from 93% to 96%.
5. There will be a 10% decrease in office referrals through the effective implementation of campus specific interventions, creating a safe school environment.
6. By May 2016, 75% satisfactory performance among LEP and SPED sub-populations, and 20% advanced academic performance on STAAR assessments.
7. For school year 2015-2016 Fondren Middle School will decrease the number of Level III incidents by 10% as measured by the number of reports processed in Chancery by our campus for the entire school year.

Fonville MS

A list of measurable objectives which correlates to those presented in SIP Part 2 *(Table of Contents, Section 4-9)*

1. Students need targeted academic instruction to master grade/content specific objectives. Structured and closely coached and monitored PLC's will provide an opportunity to plan and make data driven adjustments to instruction.
2. Continuous feedback, model, practice and coaching sessions will be provided to ensure that teachers are teaching at the appropriate level of rigor and pacing.
3. Students need targeted academic vocabulary to master grade/content specific objectives. Additionally, our students need additional reading practice and opportunities to foster a love for reading. The Advocacy period will provide an opportunity to motivate and build student interests in reading, engage them in additional reading during the school day and build Academic Vocabulary in core content areas.
4. The intended measurable change is to increase critical-thinking skills and global-learner practices in our classrooms to foster postsecondary readiness through project-based learning and AVID instructional strategies.

James Hogg Middle School will focus on preparing students to be academically successful – college and careerready. We plan to place emphasis on team collaboration and Professional Learning Communities (PLC) in all departments, as well as collaborative planning across grade levels. Our elective teachers will also meet regularly to ensure they are incorporating strategies to support student achievement. During weekly PLC meetings, teachers, interventionists, and administrators will utilize protocols to analyze the data from common assessments, benchmarks, and plan targeted intervention for identified students.

Students will be flexibly grouped based on TEKS deficiencies, and department leads will service students in small groups. We will also provide afterschool tutorials as a Tier III intervention for students.

Professional development will focus on enhancing student instruction. We will continue to improve established IB planners, and will also use with the District curriculum and adoption materials.

We will communicate with parents through take home folders which contain school communication, classroom newsletters, and examples of graded work for parents' reference and through monthly principal meetings. We provide all communication in both English and Spanish, to ensure that our parents remain abreast of school news. We also utilize social media to communicate with families including Living Tree, Facebook and Twitter.

This year we will continue our partnerships with University of Houston student-teacher collaborative. By hosting studentteachers in many of our classrooms, it provides an opportunity to provide small group instruction within the classroom. In addition, we host volunteers from several local church, many of whom are retired teachers, to tutor individual and small groups of students.

We are focused on the overall well-being of students. Besides the academic components, this includes social and emotional needs. We are identifying students who need greater support through tutorials and tailored instruction to boost literacy and reading strategies across the curriculum. Students are identified for pull -out small-group tutorials during the Study Skills Enrichment Period (SSEP) in appropriate class subjects.

Supplemental state compensatory education funds are used to enhance the schoolwide program with general revenue (instructional materials and supplies) and upgrades for computer software in the library.

Overall, our program at CVHS is thriving. Our goal is to not only maintain a high level of achievement but continue academic growth and overall well-being with our students (including but not limited to their overall physical and mental health, high attendance rates, and sentiments of safety and security on campus).

Student progress will be monitored every three weeks to ensure they are improving in content areas. Teachers will work with students to set goals and monitor their growth.

Differentiation will be vital to student growth on our campus. We will work to train all staff and work with students to use a variety of tools to enable them to have access to the curriculum and improve in all content areas.

We will work to establish a programmatic offering of TSI testing monthly to get all students tested and provide programing to prepare them to be college ready prior to their junior year and fully involved their last two years of high school.

We will also focus on improving teacher and administrator quality by providing a leadership academy to help future leaders understand the complexities of running a comprehensive high school, working with a variety of departments within the school district and the community to help them work together to keep the school running at optimal levels. We will also provide training on coaching and feedback to help grow teachers to be better every day.

Lastly, we want to ensure our school is safe and a place where everyone can grow and learn. School Programs and Processes Analysis

Teacher Practices: Our teachers utilize AVID Instructional strategies, Power Up and Everyday Excellence Literacy Routines to assure learning at high academic level of rigor is provided for all students. These strategies are periodically revisited in the PLC's under the direction of the Department Coordinators and Chairpersons. This is in addition to the use of HISD's Teacher Appraisal and Development exemplar lessons and Advanced Placement strategies. Administrators and Coordinators/Department Chairpersons monitor the use of best practices during classroom walk through observations. Best practices and trends are observed and shared with the teachers for reflection.

Acts of Leadership: Under the instructional leadership of the Principal, the grade level Administrators, Dean of Instruction, Instructional Specialist, Core Content Coordinators, Department Chairpersons, and members of the Instructional Leadership Team, the ILT leads, guides and facilitates the instructional priorities for the campus and accessing them through walkthrough observations in the classrooms. The ILT includes all administrators, the AVID Coordinator, Special Populations Coordinators, Business Manager, Counselors, Registrar, and Technology Specialists. The teachers are provided regular verbal and written feedback through the Appraisal and Development System. The departments follow the district's curriculum as a guide. The District Assessments and all Campus Based Assessments provide the foundation for pyramids of intervention.

Engaged Stakeholders: Parent communication is made primarily through the PTSA, PAC meetings and parent/teacher conferences. Parents are encouraged to attend monthly SDMC meetings and Open House which is held once a semester. During parent meetings of the various student groups (seniors, athletics, etc.) the opportunity is taken to share standards, progress and expectations. Parents are provided free English, Spanish and computer classes on campus giving us other opportunities to share with them. Parents are invited to learn how to use Parent Connect to monitor their child's academic progress. The campus website provides parents with a link to the Texas Education Agency where they can locate student achievement data and campus demographic information. North Houston Early College HS

A list of measurable objectives which correlates to those presented in SIP Part 2 (Table of Contents, Section 4-9)

Scores for subject area STAAR tests varied greatly. For English I, 93% scored level II and 7% scoring level III after summer testing. English II 93% scored level II and 4% scoring level III. Algebra scores were 98% level II with 51% scoring level III; Science scores were 99% level II and 32% level III; and Social Studies was 98% level II and 44% level III. Our major focus this year is on increasing writing proficiency. To combat this problem, we are planning lessons which focus upon writing in all content areas and initiating strategies which strengthen writing skills. We have initiated a strategic writing plan to ensure more time on task; it requires that each language arts teacher has the students keep a writing portfolio.

The scores qualified the school for a "Met Standard" accountability rating, and the percentage of those students who scored above the minimum passing level has increased significantly. In mathematics, science, social studies, the top 25% closing achievement gaps, and post-secondary readiness, the distinction designation was "Distinctions Earned." In Reading/ELA our rating was "No Distinction Earned".

As a result of our scores, our major emphasis this year will be on improving the writing skills of our students. This will be a whole-school effort with writing across the curriculum. ELA teachers have developed a writing plan which requires them to assess writing regularly in each of their classrooms. Additionally, tutorials and intervention have been planned for our students with emphasis on our ELL population.

Other areas of focus based on school data are as follows:

Goal 1 By June, 2016 the percentage of 9th grade scholars will increase from 93% to 100%; level III performance will increase from 7% to 10%. Tenth grade scholars will increase from 93% to 100%; the level III performance will increase from 4% to 15%.

Goal 2 Increase the number of students scoring 500 on the Math portion of the SAT from 36% to 45%; and increase the number scoring 500 on the Reading portion of the SAT from 20% to 30% in the 2015-2016 school year.

Goal 3 Increase parent participation/involvement in school related activities by 10% in 2015-16.

Goal 4 Maintain the dropout rate at 0% in school year 2015-2016.

Goal 5 Maintain the number of violent incidents to <1% in the current school year.

Sterling HS

A list of measurable objectives which correlates to those presented in SIP Part 2 *(Table of Contents, Section 4-9)*

The goals set in this document include raising success rates on the STAAR End of Course English exams to over 40%. This may seem low, but to make a 100% jump in one year is necessary to remove the Improvement Required status from the school. In the area of Mathematics there was a gain last year and to continue this progress the expectation is that each of the sub reporting categories on the Algebra I STAAR End of Course will surpass the 50% rate. This will show that our team is providing a well-rounded education and that students are achieving at high levels. Finally, to reshape the perception of Safety at Sterling, we must see gains in the attendance rate which will show that students want to be here, and also a reduction in the number of discipline referrals which will show that the number of negative incidents on campus has gone down.
