PRIDE MONTH

Pride Month is a time to honor and celebrate the LGBTQ+ community—its diversity, strength, and vibrant contributions to our world. Each June, we remember the 1969 Stonewall Riots, a turning point in the movement for LGBTQ+ rights and equality.

Pride is more than parades and celebration—it's a time to reflect, learn, and stand together against discrimination. It's about recognizing how far we've come and committing to the work that still lies ahead.

Let's celebrate love, inclusion, and the right for everyone to live as their true, authentic selves.

Student Services Words of Wellness

Make a list of the things you need to get done before Thursday and keep it in your pocket. Check tasks off as you go about your week. This will help you remember and finish strong.

Campus Reminders

There are 180 school days each year and every one of them are governed by our core values of Trust, Respect, and Responsibility. We follow school rules each of the 180 days like staying on campus and attending class. Finish strong, Mighty Cougars.
