ACADEMICS

As we close out another school year, we want to take a moment to recognize the hard work and dedication each of you has shown in the classroom. At Upper Lake High School, we hold **academic excellence** as a core value—and this year, you've continued to rise to the challenge.

Learning isn't always easy, but the effort you put into showing up, staying focused, and pushing yourself to grow matters. Whether you were mastering new concepts, improving your study habits, or supporting your peers, every step you took this year helped build a stronger academic foundation for your future.

Take pride in what you've accomplished. Rest up this summer—and return ready to keep growing, learning, and striving for excellence.

MESSAGE FROM DR. PIVNISKA PETRIE

As we wrap up another school year at Upper Lake High School, I want to take a moment to reflect on the incredible growth we've seen across our **Four A's—Academics, Activities, Arts, and Athletics**. These pillars are the foundation of our school, and this year, you have continued to build on them with heart, determination, and pride.

To our **Seniors**—congratulations! You've reached a major milestone, and we are so proud of your journey. You've shown leadership, resilience, and spirit. We can't wait to see where your next chapter leads.

To our **9th, 10th, and 11th grade students**—we look forward to seeing all you will accomplish as you continue to grow and carry on the traditions of hard work, commitment, and excellence at Upper Lake High School.

Thank you all for a great year. Rest, recharge, and we'll see you soon.

Go Cougars! 🐾
