## Naming Opportunities

Gifts to the endowment can be designated or restricted for purposes aligned with the school's mission and gift acceptance policy as defined in the Fellowship Christian School Gift Policy document. Subject to those policies, a donor may initiate the establishment of a named designated endowment fund with a minimum gift of \$25,000. Gifts of any amount can be made to any existing endowment fund of the school.

## Deferred Giving

Deferred or planned gifts provide essential financial support for Fellowship's future allowing donors to have an impact on Fellowship beyond their lifetime.

I/We are interested in a Deferred Gift. Please have the Fellowship Advancement Office contact me.

---

Please make checks payable to Fellowship Christian School, a 501(c)3 charitable organization. For assistance in making a contribution of stock, real estate, or other asset, please contact Fellowship Advancement Office.

I understand that I will receive periodic pledge reminders from the Fellowship Advancement Office each spring and fall, which will outline the status of my commitments to date. Reminders may be sent separately for your pledges to the Annual Fund.
