

2025-26 ELEMENTARY Dress Code

BCD's core values guide our relations, influence our language and actions, and inspire the way we present ourselves. We ask all students to be dressed in a way that is conducive to, and does not distract from, learning and inclusion. Making simple decisions with regards to the way we dress frees our minds to focus on other more complex pursuits and helps create a positive, shared experience to which we all belong.

The following dress code policies, including free dress, are in effect while the student is representing BCD, not merely during school hours (i.e. outdoor education, field trips, athletic events, etc.). Although we offer suggestions for where to purchase the clothes that fit within the defined parameters, you are welcome to shop elsewhere. Our recommended vendors are [Lands' End](http://www.landsend.com): (800-469-2222 or www.landsend.com - preferred school number is 900055971) and [Tommy Hilfiger](http://www.globalschoolwear.com) School Uniforms (www.globalschoolwear.com – preferred school code is BOUL01). Other vendors that sell lines that fit within our dress code include: Target, Kohls, Old Navy, GAP and others. We also have a gently used (and often new) dress code closet in the lobby of the Gym. Families receiving financial assistance may shop at the store for free all year long.

Parent/Guardian Expectations

Please purchase clothes that meet our guidelines, set students up for success by reinforcing the importance of our dress code, and understand and support teachers when they need to take actions to correct choices that are out of dress code.

2. Using our Parent Association Dress Code Closet, the student will change clothes and the Division Head or Assistant Head will email home to notify parents/guardians.
3. The Division Head/Assistant of Elementary will call home and require parents to bring change of clothes to the student and pull them out of class so that they may change clothes.
4. If infractions continue, we will repeat Step 3 and require a parent meeting with the Division Head.

There are circumstances where a student's needs may require an accommodation to the dress code. This will be discussed in conversation with the student's homeroom teacher, the learning center, and the Division Head.
