

VISUAL AND PERFORMING ARTS

Providence's Redesign Schools Turning Hope Into Results

During the 2022-23 school year, Hope High School, Juanita Sanchez Educational Complex, Mount Pleasant High School, DeSesto Middle School, and Dr. Jorge Alvarez High School engaged in a rigorous, data-driven process to redesign their academic programs. Through the redesign process, the district is creating new school options that meet student and family interests and prepare students for success in their post-secondary careers.

MISSION

Hope High School provides a world-class arts education and advanced core curriculum that foster creativity, innovation, critical thinking, and problem-solving. Hope is a unique space for a diverse student population to learn, create, and thrive, inspiring them to discover who they are and their place in the world.

VISION

Hope High School will provide an exemplary arts and academic education to culturally and socioeconomically diverse students. Our graduates are the next generation of creators, innovators, inventors, leaders, collaborators, and communicators who will drive our economy and develop a sense of shared culture. They will utilize the skills they have developed to pursue post-secondary experiences in a wide range of professions.

The Providence Public School District is in the Midst of a Turnaround

For the students we teach and nurture

The faculty who engage and inspire

And the families who trust us with their children every school year

Providence
