

Addendum #1

Multilingual Learning Data Consultant

Issue Date: Thursday, November 2, 2023

Bids Due: Thursday, November 9, 2023 at 1:00 PM

1. Do you have all the data identified in the scope section or will any of the data need to be collected? If some needs to be collected, which data, and will the vendor be responsible for the collection?

All of the data identified in the scope section is housed in various district/ state data platforms (ex. Skyward, Lawson, Frontline, MLL Census)

The vendor will be responsible for pulling the data from the appropriate platforms

2. Monthly Home Language and MLL Screener Report

Skyward

3. Monthly Student Scheduling Report

Skyward, Lawson, RIDE Certification Portal

4. . Quarterly Teacher Training Report

Skyward, Lawson, RIDE Certification Portal, Frontline, GroweLab

5. Does the vendor need familiarity with the specific MLL agreement or the concepts of similar MLL agreements? Requirement from Scope of Service: “Familiarity with the MLL agreement between Providence Public Schools and the U.S Department of Justice”

Yes

6. The RFP requirements state, “Capacity to consult with the district on an hourly basis regarding MLL compliance with the U.S Department of Justice” Is the RFP asking for a fixed amount of

support, plus this hourly option? If so, is there more guidance on the amount of fixed support and/or budget available.?

Yes. The hourly consulting will be in addition to the regular reports that need to be completed. Consulting hours may be used exchangeably for other tasks that are closely related to the scope of the contract. Vendors should include an hourly rate for the amount of hours they may be able to provide consultation services for.

We are not able to disclose the budget available.

7. Has the district worked with a previous vendor for this type of ELL data and statistical support?

Yes

8. If so, are they eligible for this RFP?

Yes
