

Addendum #1

Large Format Printer for CTE Graphics

Issue Date: Tuesday, December 27, 2021

Bids Due: Wednesday, January 5, 2022 at 1pm

1) What Roland VG2-540 Starter Kit ink configurations does the Providence Public School CTE want delivered with the new unit? There are five ink sets to choose from and each set is priced slightly differently.

- **The basic starter kit ink configuration is fine.**

2) This unit is customer installable. Will your staff be setting up in the CTE department or do you want Ricoh Sign & Graphics team to set up and train your staff?

- **Please set up and install/train**

3) Do you have a loading dock for delivery?

- **Yes**

4) Does Providence Public Schools require a high volume dryer?

- **No need for high volume dryer**

5) Due to uncontrollable supply chain delays – is there a date that the printer needs to be delivered or operational?

- **ASAP for educational curriculum requirements**

6) Are you purchasing or do you want leasing options? If you want to look at leasing – what term? 36, 48 or 60 month?

- **Purchasing**

7) Are you interested in acquiring extended warranty beyond the initial 2 years?

- No

8) Can Ricoh send the bid response via e-mail instead of via hard copy and flash drive?

- **Physical bids must be submitted to Purchasing Dept, Suite 206, 797 Westminster Street, Providence, RI 02903. No electronic bids are accepted.**

9) Are you replacing a machine with this new Large Format device?

- **Yes, replacing large format Roland**

10) Are you looking to purchase or lease? If lease, how many months would you be looking to lease it for?

- **Purchase**

11) I understand you want a color Large Format device; what kind of application are you looking to print out on this device?

- **Paper, t-shirt material, stickers, banners, posters**

12) Lastly, how often do you think this will be used on a weekly or monthly basis?

- **4 times a week**
