

Addendum # 1

Curricular and Instructional Management Systems

Issue Date: Monday, October 26, 2020

Bids Due: Tuesday, November 10, 2020 at 1:00PM EST

- 1. Our offices are still working remotely, and I understand that the submission needs to be mailed, but can it be signed digitally/electronic?**

Submissions can be signed digitally/electronically.

- 2. What grade levels/subjects does this request for proposal cover?**

K-12

- 3. Is the district still looking to purchase for 3100 students?**

The district is soliciting proposals for the Virtual Learning Academy to potentially award for elementary and/or secondary levels. The number of students at these levels are:

Number of students in the Elementary VLA: 2800

Number of students in the Secondary VLA: 3356

- 4. Would Providence consider a new SIS that includes a built in LMS with One Roster capability to automatically connect with certified digital learning partners?**

At this time, Providence is not looking to implement a new SIS.

5. Could you provide the enrollment breakdown by grades at VLA?

Grade Level	Number of Students
K	360
1	540
2	504
3	540
4	576
5	648
6	581
7	681
8	581
9	498
10	410
11	339
12	266

6. Will this RFP cover students in all grades at the VLA?

Yes

7. How / to what degree does PPSD/VLA intend to integrate instructional resources with local resources?

Elementary - Awarded vendor will be integrated into google classrooms 50% of the time.

8. Would you please clarify what grade levels will be served with the system sought via this RFP?

K-12

9. **Is the District seeking curriculum and instructional resources (i.e. online courses / content) to be delivered through an existing platform or learning management system? If so:**

- **What platform is being used?**
 - ES - Clever
 - MS - Flexible
 - HS - Edgenuity
- **What type of integration is desired? (i.e. single sign-on, ingestion of content, etc.)**
 - SSO if possible, flexible in some cases

10. **Alternatively, is the District seeking curriculum and instructional resources to include a platform for delivery?**

- a. **ES - No**, because we have clever
- b. **MS - No**
- c. **HS - No**

11. **Due to the current COVID-19 pandemic, our office continues to operate with very limited staff, and most are working remotely, including our authorized signers.**

- **Would it be acceptable to have the required bid forms signed electronically via secure DocuSign in lieu of wet signature? If so, will the District waive the notary requirement?**

Yes, the required bid forms can be signed electronically. We do not require a notary requirement at this time.

- **Would the District accept proposals submitted electronically in lieu of printed proposals?**

Electronic proposals will not be accepted. Please follow the submission instructions as outlined in the RFP

12. **Is the RFP strictly for the Virtual Learning Academy students or are you looking to support in-school students as well?**

Strictly for VLA

13. **If our proposed resources do not integrate with Skyward, does that eliminate our resources from consideration?**

The district may choose to award to vendors with resources that do not integrate with Skyward, depending on the product being offered.
