

Dear Members of the Woodbridge Community,

It is with great excitement that I introduce myself as the newly appointed Superintendent of Schools for the Woodbridge School District. It is truly an honor to join such an engaged community that is deeply committed to its children.

Throughout my twenty-seven years of experience in education as a teacher, principal, assistant superintendent, and superintendent, I have championed a student-centered, collaborative approach to leading school communities toward continuous growth and excellence. I am committed to building upon the strong foundation already in place while working collaboratively to ensure every child is empowered, feels a deep sense of belonging, and is curious and confident in their learning.

In the weeks and months ahead, I will reach out to students, families, educators, staff, and community members to listen and learn through school visits, formal and informal conversations, and shared events. I am eager to learn more about the aspirations and ideas of the school and the greater community to build on the continued success of this exemplary district. My door is always open. Please feel free to reach out to me anytime; I look forward to getting to know you!

Thank you for welcoming me into your community. I am proud to have the opportunity to serve the Woodbridge community and look forward to what we will accomplish together.

Warm regards,

Christopher Montini

Christopher Montini
Superintendent Elect
Woodbridge School District
